

Council Directive of 26 March 1990 laying down the conditions governing the preparation, placing on the market and use of medicated feedingstuffs in the Community (90/167/EEC)

*Article 13*

Member States shall take all necessary measures to ensure that their competent authorities satisfy themselves:

- (i) by making sampling checks at all stages of the production and marketing of the products referred to by this Directive, that the provisions of this Directive are complied with;
- (ii) in particular, by making sampling checks on farms and slaughterhouses, that medicated feedingstuffs are used in compliance with the conditions of use, and that withdrawal periods have been complied with.
