#### ***Section 18 - Payment of travel costs by a local authority which looks after a child***

56. This section concerns circumstances where one local authority makes travel arrangements for a child who is looked after by a different authority in Wales (the responsible authority who has corporate responsibility for the child). It provides the power for the local authority who makes the travel arrangements to demand reimbursement of costs from the responsible authority that looks after that child and for that demand to be complied with.
