

Learner Travel (Wales) Measure 2008

2008 nawm 2

Learner travel arrangements

5 Limits of learner travel duties

Section 2 does not require the assessment of learner travel needs and sections 3 and 4 do not require the making of travel arrangements—

- (a) for learners to travel during the day between relevant places or between different sites of the same institution, or
- (b) for any purpose other than attendance at a relevant place to receive education or training.
