

# **LEARNING AND SKILLS (WALES) MEASURE 2009**

---

## **EXPLANATORY NOTES**

### **COMMENTARY ON SECTIONS**

#### **PART 4 – MISCELLANEOUS AND SUPPLEMENTAL**

##### ***Section 46 Regulations in connection with the operation of the local curriculum***

133. Currently, education legislation tends to be drafted on the assumption that a child will receive the majority of his or her education at a single site. Under the local curricula formed under Parts 1 and 2 of this Measure, this will often not be the case. For example, a child could receive a significant amount of his or her education at a school other than that at which he or she is registered.
134. The purpose of this section is to allow regulations to be made so that the existing body of education legislation will apply in an appropriate fashion in respect of children who receive education at more than one educational institution. For example, regulations under this section could specify that, for the purposes of legislation governing meetings with a child's parents, the child is to be treated as a registered pupil at more than one school in order that the parents have the right to meet with those responsible for the child's education at both schools.
