EXPLANATORY NOTES

Part 2: Child Minding and Day Care for Children

Section 24: Applications for registration: child minding

62. **Section 24** and regulations to be made under this section set out what a person who wishes to register as a child minder must do in order to make a valid application for registration. It also places a duty on the Welsh Ministers to grant an application for registration if certain conditions are met and a duty to refuse an application for registration if those conditions are not met.
63. Subsection (2) provides that an application must give information about matters as required by regulations, give other information reasonably required by the Welsh Ministers and be accompanied by a fee set in regulations. Under subsection (3) the Welsh Ministers must grant an application unless the applicant is either disqualified under section 38 or it appears that the requirements for registration as a child minder are not satisfied or are not likely to continue to be satisfied. The requirements for registration as a child minder are to be set out in regulations under section 25. Where the Welsh Ministers are not required to grant the application under subsection (3), they must refuse it (subsection (4)).
