

SCHEDULE 2

BUILDING WORK SUPERVISED OTHERWISE THAN BY LOCAL AUTHORITIES

Effect of initial notice under Part 2 of the 1984 Act

- 1 (1) This paragraph applies where an initial notice is in force and any work specified in the notice includes building work to which this Measure applies (whether such work forms the whole or part of the work so specified).
- (2) So long as the initial notice continues in force in relation to that work—
 - (a) section 3 does not apply in relation to that work, and
 - (b) the function of enforcing the provisions of this Measure conferred on a local authority by section 2(1) is not exercisable in relation to that work and accordingly a local authority may not, in relation to that work—
 - (i) take proceedings in respect of an offence committed under paragraph 1 of Schedule 1, or
 - (ii) take any other action to enforce this Measure or any requirement imposed by it.
