EDUCATION (WALES) MEASURE 2011

EXPLANATORY NOTES

COMMENTARY ON SECTIONS

Part 1: Collaboration by education bodies

Section 9 - Minor and consequential amendments

21. **Section 9** repeals, in so far as they apply in relation to Wales, section 26 of the Education Act 2002 and section 166 of the Education and Inspections Act 2006. Those sections made provision for regulations to be made allowing for collaboration between schools and for collaboration between further education bodies and between schools and further education bodies. The sections are now replaced, for Wales, by the provisions of Part 1 of the Measure, which impose duties in relation to collaboration. Section 9 also makes other consequential amendments.
