

2010 CHAPTER 1

General

Regulation of movement of animals and poultry

14 In Article 19 of the 1981 Order (regulation of movement of animals and poultry, etc.)—

- (a) in paragraph (a), the words “diseased or suspected” cease to have effect;
- (b) in paragraph (e), the words “newly purchased” cease to have effect.

Changes to legislation:

There are currently no known outstanding effects for the Diseases of Animals Act (Northern Ireland) 2010, Section 14.
