86.—(1) The Department may by order make such modifications of any instrument of government relating to any school as, after consultation with the Board of Governors of the school and the trustees (if any), appear to be requisite—

- (b) for removing any inconsistency between the provisions of that instrument and any provisions included or proposed to be included in the scheme of management for the school which it appears to the Department to be expedient to remove in the interests of the school.

(2) Any modification made by an order under this Article may be made to have permanent effect or to have effect for such period as may be specified in the order.

(3) Any provision of any instrument relating to any land held for the purposes of any voluntary school which—

- (a) confers on any person an option to acquire an interest in that land; or
- (b) provides (in whatever terms) for the determination or forfeiture of any such interest,

in the event of the school's ceasing to be a voluntary school shall, if the school becomes a grant# maintained integrated school, have effect as if the event referred to were the school's ceasing to be a school which is either a grant#maintained integrated school or a voluntary school.
