1995 No. 3210

The Street Works (Northern Ireland) Order 1995

Street works licences

Street works licences

11.—(1) The street authority may grant a licence (a “street works licence”) permitting a person—

- (a) to place, or to retain, apparatus in the street, and
- (b) thereafter to inspect, maintain, adjust, repair, alter or renew the apparatus, change its position or remove it,

and to execute for those purposes any works required for or incidental to such works (including, in particular, breaking up or opening the street, or any sewer, drain or tunnel under it, or tunnelling or boring under the street).

(2) A street works licence authorises the licensee to execute the works permitted by the licence without obtaining any consent which would otherwise be required to be given—

- (a) by any other relevant authority in its capacity as such, or
- (b) by any person in his capacity as the owner of apparatus affected by the works;

but without prejudice to the provisions of this Order as to the making of requirements by any such authority or person or as to the settlement of a plan and section and the execution of the works in accordance with them.

(3) A street works licence does not dispense the licensee from obtaining any other consent, licence or permission which may be required.

(4) The provisions of Schedule 1 have effect with respect to the grant of street works licences, the attachment of conditions and other matters.

(5) A street works licence may be granted—

- (a) to a person on terms permitting or prohibiting its assignment, or
- (b) to the owner of land and his successors in title;

and references in this Order to the licensee are to the person for the time being entitled by virtue of the licence to do anything permitted by it.

(6) The following, namely—

- (a) any licence granted before the coming into operation of this Article under Article 79 of the Roads Order or any corresponding earlier statutory provision for the execution in a street of any such works as are mentioned in paragraph (1); and
- (b) any licence, consent, permission or other authority for the execution in a street of any such works as are mentioned in that paragraph granted or given by the street manager before the coming into operation of this Article,

shall have effect after the coming into operation of this Article as a street works licence; but paragraph (2) shall not apply in relation to such a licence.

(7) The works referred to in paragraph (1) do not include works for road purposes.

Changes to legislation:

The Street Works (Northern Ireland) Order 1995, Section 11 is up to date with all changes known to be in force on or before 25 May 2023. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations.
