- (b) maintain a register of private supplies used for domestic or food production purposes.

(2) Where DOE is satisfied—

- (a) that any private supply used for domestic or food production purposes to any premises is, has been or is likely to become unwholesome or (so far as any such premises are concerned) insufficient for domestic and sanitary purposes; and
- (b) that the unwholesomeness or insufficiency of any such supply is, was or is likely to be such as to cause a danger to life or health;

DOE shall notify the district council for the district, and the Health and Social Services Board for the area, in which the premises are, and the supply is, situated.

(3) DOE may by regulations make such provision, supplementing the provisions of this Article, as DOE considers appropriate for—

- (a) obtaining information about the quality and sufficiency of private supplies, including information as to the source of the supplies and the premises supplied by such supplies;
- (b) regulating the performance of any function under this Article; and
- (c) prescribing the particulars in respect of each private supply to be recorded in the register maintained under paragraph (1)(b).

(4) Without prejudice to the generality of paragraph (3), regulations under that paragraph may—

- (a) prescribe the matters to be taken into account in determining, for the purposes of paragraph (1), what is appropriate;
- (b) provide, for the purposes of this Article, for such samples of water to be taken and analysed at such times and in such manner as may be prescribed;
- (c) provide for functions under this Article to be carried out by prescribed persons;

Enforcement and variation of private supply notice

121.—(1) Where any relevant person who is required by virtue of a private supply notice to take any step in relation to any premises fails to take that step within the period specified in the notice, DOE may, in accordance with any applicable provision having effect by virtue of Article 122 or 124, take that step itself.

- (2) Where any step is taken by DOE in relation to any premises by virtue of paragraph (1)—
- (a) DOE may recover from the person who failed to take that step within the specified period any expenses reasonably incurred by it in taking that step; and
 - (b) for the purposes of any requirement under which payments are required to be made to that person by any person other than DOE, sums paid by virtue of sub-paragraph (a) in respect of the taking of any step shall be deemed to be expenses incurred in the taking of that step by the person who failed to take it.

(3) Nothing in this Order shall confer any right of action on any person in respect of any loss or damage sustained by that person in consequence of the failure by any other person to take any step specified in a private supply notice.

(4) Any sum required to be paid to any person by virtue of any requirement or undertaking contained in a private supply notice shall be recoverable summarily as a civil debt by that person from the person who is required to pay it.

- (5) Any requirement which—
- (a) is imposed by virtue of a private supply notice on the owner or occupier of any premises; and
 - (b) is expressed to bind those premises in relation to the owners or occupiers from time to time,
- shall bind successive owners or, as the case may be, occupiers of those premises and shall be a statutory charge.

- (b) as if any such power, so far as it is conferred on a water undertaker in relation to things belonging to or operated or used by the undertaker for the purposes of its functions, were conferred by virtue of sub-paragraph (a) on DOE in relation to things belonging to or operated or used by DOE, or a relevant person, in connection with the provision of water by means of a private supply;

- (d) as if the making by any person in pursuance of a private supply notice of any payment in respect of sums incurred in the laying of any pipe entitled that person, for the purposes of Article 241(1), to an interest in the pipe.

(2) Where by virtue of this Order DOE has power to acquire (whether compulsorily or otherwise) any land for the purpose of ensuring that private supplies of water to premises are both wholesome and (so far as houses on those premises are concerned) sufficient for domestic purposes, that power shall include power to acquire land in order, for that purpose, to dispose of the land to a person who is a relevant person in relation to such a private supply.
