EXPLANATORY NOTE

(This note is not part of the Order.)

Under Article 69 of the Social Security Pensions (Northern Ireland) Order 1975 as amended, and as modified by Article 69A of the Order of 1975, the Department of Finance and Personnel is required to provide by Order for increases in the rates of public service pensions.

The increase to be made in the rates of such pensions is the percentage (or in some circumstances a fraction of the percentage) by which the Department of Health and Social Services has, by virtue of the provisions of Article 64 of the Social Security (Northern Ireland) Order 1986, increased the sums which are the additional pensions in long term benefits, namely the additional pension entitlements accruing to employees in respect of their earnings after 5th April 1978.

For pensions which began before 8th April 1991 the increase is 4.1%.

For pensions which began on or after 8th April 1991 the increases are computed under the formula set out in Article 69(1)(b) of the Order of 1975 and are as follows:

<i>Pensions Beginning</i>	<i>Percentage Increase</i>	<i>Pensions Beginning</i>	<i>Percentage Increase</i>
8th April 1991 to 21st April 1991	4.1%	22nd October 1991 to 21st November 1991	1.71%
22nd April 1991 to 21st May 1991	3.76%	22nd November 1991 to 21st December 1991	1.37%
22nd May 1991 to 21st June 1991	3.42%	22nd December 1991 to 21st January 1992	1.03%
22nd June 1991 to 21st July 1991	3.08%	22nd January 1992 to 21st February 1992	0.68%
22nd July 1991 to 21st August 1991	2.73%	22nd February 1992 to 21st March 1992	0.34%
22nd August 1991 to 21st September 1991	2.39%	22nd March 1992 onwards	Nil
22nd September 1991 to 21st October 1991	2.05%		

A deferred lump sum which begins on or before 21st March 1992 and which becomes payable after 5th April 1992 receives the same percentage increase as a pension which begins on the same date.

Article 4 of the Order provides for increases on certain deferred lump sums which became payable after 7th April 1991 and before 6th April 1992.

This Order also provides that the amount by reference to which any increase in the rate of an official pension is to be calculated shall be reduced by an amount equal to the rate of the guaranteed minimum pension entitlement deriving from the employment which gives rise to the official pension. This is required by Article 69(5) of the Social Security Pensions (Northern Ireland) Order 1975 but Article 69A of that Order empowers the Department of Finance and Personnel to direct that in respect of specified cases or classes of case either no such reduction shall be made or the reduction shall be less than the rate of the guaranteed minimum pension. Article 69(5ZA) was inserted into Article 69 by Article 7 of the Pensions (Miscellaneous Provisions) (Northern Ireland) Order 1990. This applies to Article 69(5) to a widow's or widower's pension.
