- (b) technical amendments are made to regulations 7 and 15;
- (c) two further circumstances in which a person aged 60 or over who claims income support may be entitled to a bonus are added to regulation 17; and

The Social Security (General Benefit) Regulations (Northern Ireland) 1984 are amended so that rules on the payment of benefit and suspension of payments pending a decision on appeals or references, and arrears and repayments similar to those that apply to unemployment benefit will apply to a jobseeker's allowance.

The Child Support (Maintenance Assessment Procedure) Regulations (Northern Ireland) 1992 are amended in consequence of an earlier amendment to these Regulations related to the introduction of jobseeker's allowance; and amendment is also made so that a reduced benefit direction may be suspended when specified deductions are being made from Jobseeker's Allowance.

These Regulations revoke regulation 27 of the Social Security and Child Support (Jobseeker's Allowance) (Amendment) Regulations (Northern Ireland) 1996 and regulation 9(b) of the Social Security and Child Support (Jobseeker's Allowance) (Consequential Amendments) Regulations (Northern Ireland) 1996.

These Regulations correspond to provision contained in Regulations made by the Secretary of State for Social Security in relation to Great Britain and accordingly, by virtue of section 149(3) of, and paragraph 10 of Schedule 5 to, the Social Security Administration (Northern Ireland) Act 1992 (c. 8), are not subject to the requirement of section 149(2) of that Act for prior reference to the Social Security Advisory Committee.
