
STATUTORY RULES OF NORTHERN IRELAND

1999 No. 454

Motor Vehicles (Construction and Use)
Regulations (Northern Ireland) 1999

Part IV

Conditions Relating to Use

C —

Trailers and Sidecars

Attachment of sidecars

106. A sidecar fitted to a motor cycle shall be so attached that the wheel of the sidecar is not wholly outside the space between transverse planes passing through the extreme projecting points at the front and at the rear of the motor cycle.
