

SCHEDULE 10

Emissions from certain Motor Vehicles

Part I

Vehicles Propelled By Spark Ignition Engines

3. For the purposes of this Part of this Schedule the relevant percentage, in respect of a vehicle, is—
- (a) if the vehicle is of a description specified in the Annex to the emissions publication, the percentage shown against that description of vehicle in column 2(a) of that Annex; or
 - (b) if the vehicle is not of such a description, 0.5%.
