2000 No. 169

Road Vehicles Lighting Regulations (Northern Ireland) 2000

Part II

Regulations governing the fitting of Lamps, Reflectors, Rear Markings and Devices

Projecting trailers and vehicles carrying overhanging or projecting loads or equipment

24.—(1) A person shall not use, or cause or permit to be used, on a road in the circumstances mentioned in paragraph (2)—

- (a) any trailer which forms part of a combination of vehicles which projects laterally beyond any preceding vehicle in the combination; or
- (b) any vehicle or combination of vehicles which carries a load or equipment,

in either case under the conditions specified in an item in column 2 of the Table, unless the vehicle or combination of vehicles complies with the requirements specified in that item in column 3.

TABLE

(1) <i>Item</i>	(2) <i>Conditions</i>	(3) <i>Requirements</i>
1.	A trailer which is not fitted with front position lamps and which projects laterally on any side so that the distance from the outermost part of the projection to the outermost part of the illuminated area of the obligatory front position lamp on that side fitted to any preceding vehicle in the combination exceeds 400 mm.	A lamp showing white light to the front shall be fitted to the trailer so that the outermost part of the illuminated area is not more than 400 mm from the outermost projection of the trailer. The installation and performance requirements relating to front position lamps do not apply to any such lamp.
2.	A trailer which is not fitted with front position lamps and which carries a load or equipment which projects laterally on any side of the trailer so that the distance from the outermost projection of the load or equipment to the outermost part of the illuminated area of the obligatory front position	A lamp showing white light to the front shall be fitted to the trailer or the load or equipment so that the outermost part of the illuminated area is not more than 400 mm from the outermost projection of the load or equipment. The installation and performance requirements relating to front
