

## SCHEDULE 5

### Part I

#### Requirements Relating to Obligatory Main-Beam Headlamps and to Optional Main-Beam Headlamps to the Extent Specified in Part II

12. Other requirements—

- (a) Every main-beam headlamp shall be so constructed that the direction of the beam of light emitted therefrom can be adjusted whilst the vehicle is stationary.
- (b) Except in the case of a bus first used before 1st October 1969, where two main-beam headlamps are required to be fitted they shall form a matched pair.
