EXPLANATORY NOTE

(This note is not part of the Regulations.)

1. These Regulations amend the Regulations specified respectively in paragraphs 2, 13, 25, 35 and 44 of this note.

2. These Regulations amend the Fresh Meat (Hygiene and Inspection) Regulations (Northern Ireland) 1997 (S.R. 1997 No. 493, as amended) [“the Fresh Meat Regulations”] to provide enhanced powers of enforcement in relation to those Regulations in the light of Council Directive 64/433/EEC on health conditions for the production and marketing of fresh meat (a consolidated text of which is annexed to Council Directive 91/497/EEC [O.J. No. L268, 24.9.91, p. 56]) and Council Directive 91/495/EEC concerning public health and animal health problems affecting the production and placing on the market of rabbit meat and farmed game meat (O.J. No. L268, 24.9.91, p. 41).

3. These Regulations amend regulation 3 of the Fresh Meat Regulations (which specifies circumstances in which those Regulations do not apply) and impose new obligations on persons engaged in activities which would otherwise be exempt (regulation 2(4) and (5)).

4. They impose revised requirements relating to the licensing of premises under the Fresh Meat Regulations and impose a new requirement that the Food Standards Agency (“the Agency”) must be informed of changes in the identity of those having management and similar responsibilities in relation to the occupier of premises already licensed under the Fresh Meat Regulations (“licensed premises”) (regulation 2(6) to (8)).

5. They amend the criteria under which the Agency may revoke licences granted under the Fresh Meat Regulations (regulation 2(9) to (11)).

6. A new power to suspend licences is created (regulation 2(12)).

7. These Regulations also amend the Fresh Meat Regulations so that occupiers of premises licensed thereunder at the date of coming into operation of these Regulations have to inform the Agency of their identity and of the principal business address and identity of each of their directors, managers and controllers within 3 months of that date (regulation 2(13)).

8. The Regulations amend the Fresh Meat Regulations so as to enable official veterinary surgeons to inspect records kept by the occupiers of licensed premises pursuant to regulation 19(1)(a), (e) and (f) of those Regulations and to monitor such occupiers' compliance with their duties under regulation 19 thereof (regulation 2(14)).

9. The powers of official veterinary surgeons set out in regulation 9 of the Fresh Meat Regulations are modified (regulation 2(15) and (16)).

10. The general conditions for the marketing of fresh meat set out in regulation 12 of the Fresh Meat Regulations are modified (regulation 2(17)).

11. The duties imposed on occupiers of licensed premises by regulation 19 of the Fresh Meat Regulations are modified (regulation 2(18) to (21)).

12. The penalties for a breach of the Fresh Meat Regulations contained in regulation 20 thereof are rationalised (regulation 2(22)) and regulation 22 of the Fresh Meat Regulations (enforcement) is amended so that (in relation to any place other than licensed premises) the Agency and the district councils are made responsible for enforcing those Regulations (regulation 2(23)). Regulation 22 is further amended so that where any meat is certified as provided for in new paragraph (2) or (3)

thereof it is treated for the purposes of Article 8 of the Food Safety (Northern Ireland) Order 1991 as failing to comply with food safety requirements (also regulation 2(23)).

13.
