Part II

Additional requirements for the transport of cattle and pigs

1. Any person transporting cattle or pigs in intra-Community trade shall do so in accordance with this Part.
2. He shall, for each vehicle used for the transport of those animals, keep a register containing the following information, and shall keep the register for three years—
 - (a) places and dates of pick-up, and the name or business name and address of the holding or assembly centre where the animals are picked up;
 - (b) places and dates of delivery, and the name or business name and address of the consignee;
 - (c) species and number of animals carried;
 - (d) date and place of disinfection;
 - (e) the unique identifying number of accompanying health certificates.
3. He shall ensure that the means of transport is constructed in such a way that the animal faeces, litter or feed cannot leak or fall out of the vehicle.
4. He shall ensure that all cleansing and disinfection of the vehicle is either—
 - (a) carried out at facilities approved for the purpose by the Department under this paragraph (which must include facilities for storing litter and faeces) or
 - (b) carried out by a third party, in which case he shall provide to the Department on request documentary evidence that this has been done.
5. He shall give a written undertaking to the Department stating that—
 - (a) all measures have been taken to ensure compliance with Council Directive [64/432/EEC](#) as amended, and in particular the provisions laid down in Article 12 of that Directive relating to the appropriate documentation that must accompany the animals; and
 - (b) the transport of animals will be entrusted to staff who possess the necessary ability, professional competence and knowledge.

Part III

Additional requirements for dealers in cattle and pigs

1. If a person is a dealer in cattle or pigs, he shall not engage in intra-Community trade in cattle or pigs unless he complies with the provisions of this Part.
2. The dealer shall be registered with the Department, approved by the Department in accordance with this Part, and have a registration number issued by the Department.
3. The Department shall only issue an approval if it is satisfied that the dealer will comply with the provisions of this Part.
4. The dealer shall ensure that he only imports or exports animals that are identified and come from herds that are officially free from tuberculosis, brucellosis and leukosis, or are slaughter animals meeting the requirements of Article 6.3 of Council Directive [64/432/EEC](#).
5. The dealer shall keep a record for all cattle and pigs which he imports or exports, either on the basis of identification numbers or marks on the animals, and keep the record for three years, of—
 - (a) the name and address of the seller;
 - (b) the origin of the animals;

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (c) the date of purchase;
 - (d) the categories, number and identification of bovine animals;
 - (e) the registration number of the holding of origin or the herd of origin of pigs;
 - (f) the registration number of the transporter or the licence number of the lorry delivering and collecting animals;
 - (g) the name and address of the buyer and the destination of the animals;
 - (h) copies of route plans and numbers of health certificates.
6. In the case of a dealer who keeps animals on his premises, the dealer shall ensure that—
- (a) specific training in the care and welfare of animals is given to the staff in charge of the animals;
 - (b) all necessary steps are taken to prevent the spread of disease.
- 7.—(1) The dealer shall only use premises approved for the purpose by the Department under this paragraph.
- (2) The Department shall issue an approval number for premises approved under this paragraph if it is satisfied that the premises comply with Article 13.2 of Council Directive [64/432/EEC](#).
