
STATUTORY RULES OF NORTHERN IRELAND

2001 No. 295

HEALTH AND SAFETY

Genetically Modified Organisms (Contained Use) Regulations (Northern Ireland) 2001

Made - - - - 6th August 2001

Coming into operation 25th September 2001

GENETICALLY MODIFIED ORGANISMS (CONTAINED USE) REGULATIONS (NORTHERN IRELAND) 2001

Part I

Interpretation and General

1. Citation and commencement
2. Interpretation
3. Application
4. Meaning of “work” and “at work”
5. Modification of the Health and Safety at Work (Northern Ireland) Order 1978

Part II

Risk assessment and notification of activities involving Genetic Modification

6. Risk assessment of activities involving genetically modified micro-organisms
7. Risk assessment of activities involving genetically modified organisms other than micro-organisms
8. Review and recording of risk assessments
9. Notification of the intention to use premises for the first time for activities involving genetic modification
10. Notification of class 2 activities involving genetic modification of micro-organisms
11. Notification of class 3 or class 4 activities involving genetic modification of micro-organisms
12. Notification of activities involving genetic modification of organisms other than micro-organisms
13. Notification of connected programmes of work

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- 14. Duties on receiving notifications and additional information
- 15. Additional provisions relating to notifications

Part III

Conduct of activities involving Genetic Modification

- 16. Establishment of a genetic modification safety committee
- 17. Principles of occupational and environmental safety
- 18. Containment and control measures for activities involving genetic modification of micro-organisms
- 19. Containment and control measures for activities involving genetic modification of organisms other than micro-organisms
- 20. Emergency plans
- 21. Information relating to accidents

Part IV

Disclosure of Information and Publicity

- 22. Disclosure of information provided pursuant to regulations 9 to 15
- 23. Disclosure of information provided pursuant to regulation 21
- 24. Register of notifications

Part V

Miscellaneous and General

- 25. Exemption certificates
 - 26. Enforcement and civil liability
 - 27. Fees for notifications and applications
 - 28. Transitional provisions
 - 29. Appeals
 - 30. Application within territorial waters
 - 31. Revocations, amendments and savings
- Signature

SCHEDULE 1 **Classes of activity involving genetic modification**

SCHEDULE 2

Part I — Examples of techniques constituting genetic modification

- 1. Examples of the techniques which constitute genetic modification which are...

Part II — Techniques which are not considered to result in genetic modification

- 2. The following techniques are not considered to result in genetic...

Part III — Techniques to which these regulations do not apply

- 3. These Regulations (except regulation 17) shall not apply to the...
