
STATUTORY RULES OF NORTHERN IRELAND

2002 No. 209

Animal By-Products Order (Northern Ireland) 2002

Part II

Disposal of High Risk and Low Risk Material

Burial of animal by-products

- 13.** A person burying animal by-products shall—
- (a) sprinkle them with an approved disinfectant where this will prevent the spread of disease; and
 - (b) bury them without undue delay in such a way that carnivorous animals cannot gain access to them.
