Local Government Pension Scheme  
Regulations (Northern Ireland) 2002

PART VI

PENSION SHARING

CHAPTER I

*SHARING OF RIGHTS UNDER THE SCHEME*

**Aggregation**

**134.**—(1) Pension credit rights or pension credit benefits may not be aggregated with any other rights or benefits under the Scheme (including those attributable to a different pension credit).

(2) Where a pension credit member is also an active member, he may not count any period which may count for any purpose as a period of membership in connection with his pension credit benefits towards the membership period required before he is entitled to any benefit which relates to his active membership, or in the calculation of that benefit.
