that amount shall be determined by dividing the amount of the income-based jobseeker's allowance to which he would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient so obtained by 7.

(5) The amount determined under paragraph (4) shall be re-determined under that paragraph if the claimant makes a further claim for housing benefit and the conditions in paragraph (6) are satisfied, and in such a case –

- (a) paragraph (4) shall apply as if for “relevant week” there was substituted “relevant subsequent week”, and
- (b) subject to paragraph (7), the amount as re-determined shall have effect from the first week following the relevant subsequent week in question.

- (b) the claimant would have been entitled to housing benefit but for regulation 42(1).

(7) The amount as re-determined pursuant to paragraph (5) shall not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount shall continue to have effect.

(8) For the purposes of this regulation –

“part-week” in paragraph (4)(b) and (c) means –

 - (b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to housing benefit on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, housing benefit;

and where more than one benefit week is identified by reference to paragraphs (a) and (b), the later or latest such benefit week;

“relevant subsequent week” means the benefit week which includes the day on which the further claim or, if more than one further claim has been made, the last such claim was made.

Capital jointly held

44.—(1) Where a claimant and one or more persons are beneficially entitled in possession to any capital asset other than a capital asset disregarded under regulation 42(3), they shall be treated as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter shall apply for the purposes of calculating the amount of capital which the claimant is treated as possessing as if it were actual capital which the claimant does possess.
