
STATUTORY RULES OF NORTHERN IRELAND

2003 No. 422

**Measuring Equipment (Liquid Fuel and Lubricants)
(Amendment) Regulations (Northern Ireland) 2003**

**Amendment of the Measuring Equipment (Liquid Fuel and Lubricants) Regulations
(Northern Ireland) 1998**

8. In regulation 17(1)(c), for the words “the errors on all the quantities of test liquid indicated by the equipment during the tests are all errors in excess or all errors in deficiency” there shall be substituted the words “every delivery made in testing the measuring equipment as provided for in paragraph (2)(c) of regulation 8A results in an error in excess or every such delivery results in an error in deficiency or in the case of testing the measuring equipment as provided for in paragraph (2)(a) and (b) of regulation 8A the inspector is not satisfied that the calibration of the measuring equipment has been set as close to zero as is practicable”.
