- (b) not to exercise those powers, or not to do so in such circumstances or such manner as may be specified in the directions.

(3) Where the Department receives information pursuant to Article 17(1) of the Directive in relation to the operation of an installation outside of the United Kingdom which is likely to have a significant negative effect on the environment of Northern Ireland, it shall, for the purpose of complying with Article 17(2) of the Directive, direct the chief inspector to take such steps as it considers appropriate for the purpose of bringing the information to the attention of the persons in Northern Ireland likely to be affected by the operation of the installation and providing them with an opportunity to comment on that information.

(4) Any direction given under these Regulations shall be in writing and may be varied or revoked by a further direction.

(5) It shall be a duty of an enforcing authority to comply with any direction which is given to it under these Regulations.
