EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations amend the Plant Protection Products Regulations (Northern Ireland) 2004 ([S.R. 2004 No. 126](#)) (“the principal Regulations”) which implement in Northern Ireland Council Directive [91/414/EEC](#) (O.J. No. L230, 19.8.91, p. 1 to be read with the Corrigenda published in O.J. No. L170, 25.6.92, p. 40) concerning the placing of plant protection products on the market (“the Directive”), as amended.

Schedule 1 which sets out the instruments that amend that Directive is replaced by the Schedule to these Regulations, which lists an additional eight Directives that add a further 17 active substances to Annex I. In consequence the list of active substances which can be used in products capable of being approved under regulations 5 and 6 of the 2004 Regulations for placing on the market is extended accordingly.

In addition, a drafting correction is made to regulation 27.
