## EXPLANATORY NOTE

*(This note is not part of the Regulations.)*

These Regulations amend the Seed Potatoes (Crop Fees) Regulations (Northern Ireland) 2004 which charge a fee per hectare or half hectare for the certification and classification of all seed potato crops. These Regulations facilitate the reinstatement of charges for the certification and classification of Pre-basic Tissue Culture potatoes by introducing hourly rates, thus taking into account different methods of growing that do not lend themselves to charging per hectare or half hectare.

Regulation 3 exempts the certification and classification of Pre-basic Tissue Culture from the previous charging rate of per hectare or per half hectare.

Regulation 4 inserts new regulations introducing fees for the certification of Pre-basic Tissue Culture according to an hourly rate.

Regulation 5 substitutes the Schedule to the Seed Potatoes (Crop Fees) Regulations (Northern Ireland) 2004 with a new Schedule. Part B to the Schedule sets the fee for the certification and classification of Pre-basic Tissue Culture at £38·00 per hour or part of an hour.
