Early leaver’s rights: deemed election for contribution refund

5. Where, on the commencement of the winding up period, a member becomes a person to whom Chapter 5 of Part IV of the Pension Schemes Act(16) (early leavers: cash transfer sums and contribution refunds) applies, that Chapter applies as if –
- (a) he had elected on the day on which that period begins for a contribution refund;
 - (b) had accordingly acquired a right to such a refund (and not a right to a cash transfer sum) under section 97AB of that Act; and
 - (c) all steps required to be taken under that Chapter preliminary to that election had been taken.

Adjustments to discretionary awards

- 6.—(1) For the purposes of Article 73A of the 1995 Order(17) (operation of scheme during winding up period) and this regulation, “discretionary award”, in relation to an occupational pension scheme, means an award of a pension or other benefit under the scheme where either –
- (a) entitlement to the award arises as a result of the exercise of a discretion conferred by the scheme rules that may be exercised in circumstances specified in those rules; or
 - (b) the amount awarded depends on the exercise of such a discretion.
- (2) Where Article 73A of the 1995 Order applies, the circumstances in which trustees or managers of the scheme are required to adjust any such entitlement as is referred to in Article 73A(7)(a) are where –
- (a) the entitlement to a pension or other benefit is –
 - (i) the entitlement of a member, or
 - (ii) the entitlement to a pension or other benefit in respect of a member other than a member who dies during the winding up period; and
 - (b) it appears to the trustees or managers that as a result of –
 - (i) the discretionary award in question,
 - (ii) that award and any other awards under the scheme rules to which Article 73A(7) (a) applies, or

(16) Chapter 5 is inserted by Article 241 of the Pensions (Northern Ireland) Order 2005

(17) Article 73A is inserted by Article 247(1) of the Pensions (Northern Ireland) Order 2005

(iii) all the awards under the scheme rules to which that Article applies and any entitlements in respect of the member to which Article 73A(7)(b) applies (“survivor entitlements”),

the total amount of the liability for pensions and other benefits in respect of the member is greater than it was immediately before the commencement of the winding up period.

(3) In those circumstances, the trustees or managers are required to adjust the entitlement –

- (a) to the discretionary award,
- (b) to that award and the other awards mentioned in paragraph (2)(b)(ii); or
- (c) to the awards and entitlements mentioned in paragraph (2)(b)(iii),

in such manner as they think fit so that the total amount of that liability does not exceed its amount immediately before the commencement of the winding up period.

(4) If –

- (a) the commencement of the winding up of the scheme is backdated (whether in accordance with Article 138 of 2005 Order or otherwise); and
- (b) the requirement under paragraph (3) to adjust any entitlement arises as a result of that backdating,

the adjustment must be made with effect from the time the award takes effect.

(5) Where a discretionary award takes effect during a period that is a winding up period or an assessment period in relation to a scheme, the trustees or managers of the scheme must give the person to whom the award is made notice in writing not later than one month after the date on which the award is made –

- (a) that the award may be adjusted by virtue of this regulation; or
- (b) where the award takes effect before the scheme has begun to be wound up, that it may be so adjusted if the scheme begins to be wound up and the commencement of the winding up is backdated.

(6) Such a notice may be given by post and, if the person to whom it is given is not in employment to which the scheme relates, is to be treated as having been given if it is sent to him by post to his last address known to the trustees or managers.

Adjustments to survivors' benefits

7.—(1) Where Article 73A of the 1995 Order applies, the circumstances in which trustees or managers of the scheme are required to adjust any such entitlement as is referred to in Article 73A(7)(b) are where –

- (a) it appears to the trustees or managers that as a result of –
 - (i) the entitlement in question having arisen, or
 - (ii) that entitlement and any other entitlements under the scheme rules to which Article 73A(7)(b) applies having arisen,

the amount of the total liability for pensions and other benefits in respect of the member is greater than it was immediately before the commencement of the winding up period; or

- (b) regulation 6(3) requires the trustees or managers to adjust the entitlement.

(2) In the circumstances mentioned in paragraph (1)(a), the trustees or managers are required to adjust the entitlement or entitlements in such manner as they think fit so that the total amount of the liability for pensions and other benefits in respect of the member does not exceed its amount immediately before the commencement of the winding up period.

(3) See regulation 6(3) for the manner in which the trustees or managers are required to adjust the entitlement or entitlements where that regulation applies.

(4) If –

- (a) the commencement of the winding up of the scheme is backdated (whether in accordance with Article 138 of the 2005 Order or otherwise); and
- (b) the requirement under paragraph (2) to adjust any entitlement arises as a result of that backdating,

the adjustment must be made with effect from the time the award takes effect.

(5) Where any such entitlement of a person as is referred to in Article 73A(7)(b) of the 1995 Order arises during a period that is a winding up period or an assessment period in relation to a scheme, the trustees or managers of the scheme must give the person notice in writing not later than one month after the date on which it arises –

- (a) that it may be adjusted by virtue of this regulation; or
- (b) where the entitlement arises before the scheme has begun to be wound up, that it may be so adjusted if the scheme begins to be wound up and the commencement of the winding up is backdated.

(6) Such a notice may be given by post and is to be treated as having been given to the person if it is sent to him by post to his last address known to the trustees or managers.

Entitlement to death benefits treated as arising before commencement of winding up period

8.—(1) This regulation applies where –

- (a) an occupational pension scheme to which Article 73 of the 1995 Order applies is being wound up;
- (b) a member of the scheme died before the winding up began;
- (c) during the winding up period a person (“the beneficiary”) becomes entitled under the scheme rules to one or more benefits within paragraph (2) in respect of the member; and
- (d) the beneficiary could have become so entitled before the winding up period began had the trustees or managers of the scheme taken any action earlier.

(2) The benefits are –

- (a) a pension of a kind permitted by the pension death benefit rules set out in section 167 of the Finance Act 2004; and
- (b) a lump sum of a kind permitted by the lump sum death benefit rule set out in section 168 of that Act.

(3) For the purposes of Article 73B(6)(a) of the 1995 Order(**18**) (liabilities to which the winding up provisions do not apply) –

- (a) the beneficiary’s entitlement to payment of so much of the pension (if any) as is attributable to the period between the member’s death and the commencement of the winding up period; and
- (b) the beneficiary’s entitlement to payment of the lump sum,

are to be treated as having arisen immediately before the commencement of the winding up period.

(4) In the case of a scheme which begins to be wound up before 6th April 2006, this regulation has effect as if the benefits referred to in paragraph (2) were –

- (a) a pension payable to the deceased member’s former spouse or dependant; and

(18) Article 73B is inserted by Article 247(1) of the Pensions (Northern Ireland) Order 2005

- (b) a lump sum calculated by reference to the member's remuneration.

Calculation of the value or amount of scheme assets and liabilities

9. For regulation 4 of the Winding Up Regulations⁽¹⁹⁾ (calculation of amounts of liabilities) there shall be substituted the following regulation –

“Calculation of the value or amount of scheme assets and liabilities

4.—(1) The liabilities of a scheme to which Article 73 applies and their amount or value must be determined, calculated and verified by the actuary of the scheme –

- (a) on the assumption that any questions relating to any person's entitlement to a pension or other benefit are to be determined as at the crystallisation date;
- (b) on the assumption that liabilities in respect of pensions or other benefits will be discharged by the purchase of annuities of the kind described in Article 74(3)(c)⁽²⁰⁾ (discharge of liabilities: annuity purchase) and include the expenses involved in discharging them;
- (c) subject to sub-paragraph (b) and paragraph (4), on the general assumptions specified in regulations 7(2), (3) and (7) to (10) and 8(2) of the MFR Regulations⁽²¹⁾ (determination and valuation of liabilities and further provisions as to valuation: methodology, assumptions, etc.) so far as they relate to the calculation and verification of liabilities; and
- (d) otherwise in accordance with the guidance given in GN 19⁽²²⁾, so far as that guidance applies for the purposes of these Regulations.

(2) For the purpose of paragraph (1)(b) the actuary must estimate the cost of purchasing the annuities.

(3) A calculation of the value or amount of the liabilities of a scheme for the purposes of Article 73 must be accompanied by a statement that it is in accordance with the guidance mentioned in paragraph (1)(d).

(4) For the purposes of this regulation, regulations 7 and 8 of the MFR Regulations shall be modified as follows –

- (a) references in regulations 7(3), (7) and (8) and 8(2) of the MFR Regulations to the relevant date shall be to be taken as references to the date as at which the calculation is made (being a date not earlier than the crystallisation date or the commencement of winding up, if later);
- (b) in regulation 7(3) the words “subject to paragraphs (4) and (5)” shall be omitted; and
- (c) in regulation 8(2)(a) head (i) shall be omitted.

(5) Paragraph (6) applies if, when the assets of the scheme are applied in accordance with Article 73(3) towards satisfying any liability of the scheme mentioned in Article 73(4), that liability, as calculated in accordance with the rules of the scheme (without any reduction by reason of its falling within a class of liability which is to be satisfied after another class),

⁽¹⁹⁾ Regulation 4 was amended by regulation 4(2) of S.R. 2002 No. 64 and regulation 2(2) of S.R. 2005 No. 20

⁽²⁰⁾ Article 74(3)(c) was amended by S.I. 2002/1555

⁽²¹⁾ S.R. 1996 No. 570; regulation 7 was amended by paragraph 7(3) of the Schedule to S.R. 1997 No. 160, regulation 3(4) of S.R. 2000 No. 335 and regulation 2(3) of S.R. 2002 No. 64 and regulation 8(2) was amended by regulation 3(5) of S.R. 2000 No. 335

⁽²²⁾ The publication GN 19 may be obtained from the Institute of Actuaries, Staple Inn Hall, High Holborn, London WC1V 7QJ and from the Faculty of Actuaries, Maclaurin House, 18 Dublin Street, Edinburgh EH1 3PP

is in the opinion of the actuary fully satisfied by applying assets of a value less than the amount of that liability calculated in accordance with paragraph (1).

(6) If this paragraph applies the amount to be taken as the amount of that liability for the purposes of Article 73(3) is to be reduced accordingly.

(7) Paragraph (8) applies if, when the assets of the scheme are so applied, the liabilities mentioned in Article 73(3), as calculated in accordance with the rules of the scheme (without any reduction by reason of their falling within a class of liability which is to be satisfied after another class), cannot in the opinion of the actuary be fully satisfied by applying assets of a value equal to the amount of those liabilities calculated in accordance with paragraph (1).

(8) If this paragraph applies the amount to be taken as the amount of those liabilities for the purposes of Article 73(3) is to be increased accordingly.

(9) If Article 73 does not apply to any liability by virtue of –

- (a) Article 73B(6)(d) (which provides that the winding up provisions do not apply to liabilities the discharge of which is validated under Article 120 of the Pensions (Northern Ireland) Order 2005); or
- (b) regulation 10(2) of the Occupational Pension Schemes (Winding up, etc.) Regulations (Northern Ireland) 2005 (which makes similar provision as respects liabilities discharged by virtue of regulations under Article 119(4) of that Order),

the value of any corresponding assets is to be deducted from the value of the assets of the scheme for the purposes of Article 73.

(10) For the purposes of paragraph (9), “the value of any corresponding assets” means –

- (a) in a case where assets of the scheme at the crystallisation date are transferred from the scheme in consideration for the discharge, the value of those assets at that date, and
- (b) in a case where assets that are not assets of the scheme at that date are so transferred, the value of those assets at the date of the discharge.

(11) Subject to paragraph (12), in this regulation “the crystallisation date” means –

- (a) in the case of a scheme where –
 - (i) the trustees or managers determined (whether in pursuance of Article 38(23) (power to defer winding up) or otherwise) that the scheme was not for the time being to be wound up, despite rules otherwise requiring it to be so,
 - (ii) the time when the sub-paragraph of Article 73(4) into which the liability in respect of any person falls is determined is fixed under the provisions of the scheme, and
 - (iii) that time falls on or after the date of the determination mentioned in head (i) and before the date on which the scheme begins to be wound up,

the date when that time occurs; and

- (b) otherwise, the date on which the scheme begins to be wound up.

(12) Where the trustees or managers of a scheme –

- (a) determined before 6th April 1997 that the scheme was not for the time being to be wound up, despite rules otherwise requiring it to be so; and
- (b) before that date determined a time (being a time before 6th April 1997) when the amounts or descriptions of liabilities of the scheme were to be determined for the purposes of any rule of the scheme requiring the assets of the scheme to be applied

on winding up in satisfying the amounts of certain liabilities to or in respect of members before other such liabilities,
the date when that time occurs is the crystallisation date.”.

Discharge of liabilities during assessment period

10.—(1) This regulation applies in any case where any liability of a scheme in respect of a member has been discharged by virtue of regulations under Article 119(4) of the 2005 Order (power to make regulations permitting discharge of scheme’s liabilities during an assessment period).

(2) Articles 73 to 73B of the 1995 Order (except Article 73B(4)(b)(iii)) apply as if references to liabilities did not include the discharged liability.

(3) Article 74(2) and (4) of the 1995 Order(**24**) applies as if the trustees or managers of the scheme had –

- (a) in accordance with arrangements prescribed under Article 74(2) of that Order, provided for the discharge of the discharged liability in one or more of the ways mentioned in Article 74(3) of that Order; and
- (b) applied any amount available to them in accordance with Article 73 of that Order in one or more of those ways.

Requirements to be met where liabilities discharged on winding up

11. In regulation 8 of the Winding Up Regulations (requirements to be satisfied by transferee schemes, annuities, etc.) after paragraph (5) there shall be added –

“(6) For the purposes of Article 74(3)(e)(**25**) (liabilities treated as discharged where the trustees have provided for them to be discharged by the payment of a cash sum in circumstances where prescribed requirements are met), the prescribed circumstances are –

- (a) where the payment is a contribution refund under Chapter 5 of Part IV of the Act (early leavers: cash transfer sums and contribution refunds); or
- (b) where the payment –
 - (i) is made to a member who has a right under the scheme rules to the payment of a lump sum that is a trivial commutation lump sum or a winding up lump sum for the purposes of Part 1 of Schedule 29 to the Finance Act 2004 (see paragraphs 7 to 10 of that Schedule (registered pension schemes: authorised lump sums: trivial commutation lump sum and winding up lump sum)), and
 - (ii) does not contravene any trivial commutation restriction that applies in the circumstances in question.

(7) In this regulation “trivial commutation restriction” means a restriction imposed by –

- (a) regulation 19, 20 or 60 of the Occupational Pension Schemes (Contracting-out) Regulations (Northern Ireland) 1996(**26**) (lump sum benefits and salary related contracted-out schemes, trivial commutation of benefits derived from section 5(2B) rights and trivial commutation of guaranteed minimum pensions);

(24) Article 74(2) and (4) is amended by Article 247(2)(b) of, and Schedule 11 to, the Pensions (Northern Ireland) Order 2005

(25) Sub-paragraph (e) is inserted by Article 247(2)(c) of the Pensions (Northern Ireland) Order 2005

(26) [S.R. 1996 No. 493](#); regulation 19 was substituted by regulation 2(7) of [S.R. 2002 No. 109](#), regulation 20 was amended by regulation 2(3) of [S.R. 2000 No. 336](#) and regulation 2(8) of [S.R. 2002 No. 109](#) and regulation 60 was amended by paragraph 5(12) of the Schedule to [S.R. 1997 No. 160](#) and regulation 2(12) of [S.R. 2002 No. 109](#)

- (b) regulation 2 of the Occupational Pension Schemes (Assignment, Forfeiture, Bankruptcy etc.) Regulations (Northern Ireland) 1997⁽²⁷⁾ (commutation of a pension under an occupational pension scheme); or
 - (c) regulation 3(2)(b) of the Pension Sharing (Pension Credit Benefit) Regulations (Northern Ireland) 2000⁽²⁸⁾ (commutation of the whole of pension credit benefit).
- (8) Before 6th April 2006 this regulation applies with the modification in paragraph (9).
- (9) For paragraph (6)(b)(i) substitute –
- “(i) extinguishes the whole or part of the person’s entitlement to benefits under the scheme;
 - (ia) does not contravene Revenue restrictions; and”.
- (10) For the purposes of this regulation a payment does not contravene Revenue restrictions if –
- (a) in the case of a scheme that is an approved scheme for the purposes of Chapter 1 of Part 14 of the Taxes Act 1988 (see section 612(1) of that Act), it is permitted under the scheme rules in accordance with its approval for those purposes; and
 - (b) in the case of a scheme that is a relevant statutory scheme for those purposes (see section 611A of that Act), it is permitted under the regulations or rules governing the scheme as such a scheme.”.

Commencement of winding up

12.—(1) Regulation 11 of the Occupational Pension Schemes (Winding Up Notices and Reports etc.) Regulations (Northern Ireland) 2002⁽²⁹⁾ (time when winding up taken to begin) does not apply in any case where in accordance with Article 121(4) to (8) of the 1995 Order a scheme begins to wind up on or after 6th April 2005.

- (2) Accordingly, in such a case –
- (a) that Article applies for the purpose of determining the time when that scheme winds up for the purposes of –
 - (i) Articles 73 to 74 of the 1995 Order,
 - (ii) these Regulations, and
 - (iii) the Winding Up Regulations; and
 - (b) regulation 2 of those Regulations does not apply.

(3) If immediately before 6th April 2005 a scheme was regarded as having begun to be wound up for any purpose by virtue of regulation 2 of the Winding Up Regulations (commencement of winding up), paragraphs (1) and (2) do not affect the time when it is to be taken as having begun to be wound up for that purpose.

Multi-employer sectionalised schemes, schemes with partial government guarantee and partly foreign schemes

13. In any case where, by virtue of regulation 12, 12A or 12B of the Winding Up Regulations⁽³⁰⁾ (winding up of sectionalised schemes, schemes with partial government guarantee and partly foreign
