- (b) require every occupier of a regulated slaughterhouse to give the Department particulars of his business (regulation 4);
- (c) authorise certain carcasses to be identified using labels rather than marks (regulation 5);
- (d) make provision for the granting of classification licences (regulation 6);
- (e) require occupiers of regulated slaughterhouses to keep, retain and produce records (regulation 8);

A Regulatory Impact Assessment has not been prepared for these Regulations as they have no impact on the costs of business.
