EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend Part VIII of Schedule 1 to the Products of Animal Origin (Third Country Imports) Regulations (Northern Ireland) 2004 (“the 2004 Regulations”). The 2004 Regulations implement Council Directive [97/78/EC](#) laying down the principles governing the organisation of veterinary checks on products entering the Community from third countries (O.J. No. L24, 30.1.98, p. 9).

Part VIII of Schedule 1 is amended in order to give effect to the restrictions on the importation of products derived from birds contained in Commission Decision [2005/760/EC](#) concerning certain protection measures in relation to highly pathogenic avian influenza in certain third countries for the import of captive birds (O.J. No. L285, 28.10.2005, p. 60) as amended by Commission Decision [2005/862/EC](#) (O.J. No. L317, 3.12.2005, p. 19). References to Commission Decision [2005/760/EC](#) (as amended) are inserted at section A paragraph 4 and section E paragraph 1 of Part VIII of Schedule 1.

Schedule 1 to the 2004 Regulations lists the Community instruments that lay down conditions for the importation of products of animal origin into the Community. Regulation 15 of the 2004 Regulations prohibits the introduction into Northern Ireland of products of animal origin that do not comply with these import conditions.
