

SCHEDULE 2

Regulations 6(1) and (2) and 9(1) and (2)

PARTICULARS TO BE INCLUDED IN A DESIGN
NOTIFICATION OR A RELOCATION NOTIFICATION

1. The name and address of the operator of the installation.

Commencement Information

I1 Sch. 2 para. 1 in operation at 21.5.2007, see [reg. 1](#)

2. A description of the design process from an initial concept to the submitted design and the design philosophy used to guide the process.

Commencement Information

I2 Sch. 2 para. 2 in operation at 21.5.2007, see [reg. 1](#)

3. A description of—
- (a) the chosen design concept, including suitable diagrams, and a summary of the other design options which were considered;
 - (b) how the chosen design concept is intended to ensure—
 - (i) compliance with the requirements set out in regulations 5 and 10 of the Offshore Installations and Wells (Design and Construction, etc.) Regulations (Northern Ireland) 1996(1); and
 - (ii) that risks with the potential to cause a major accident are reduced to the lowest level that is reasonably practicable; and
 - (c) the criteria used to select the chosen design concept and the process by which the selection was made.

Commencement Information

I3 Sch. 2 para. 3 in operation at 21.5.2007, see [reg. 1](#)

4. A description of—
- (a) the principal systems on the installation;
 - (b) the installation layout;
 - (c) the process technology to be used;
 - (d) the principal features of any pipeline;
 - (e) any petroleum-bearing reservoir intended to be exploited using the installation; and
 - (f) the basis of design for any wells to be connected to the installation.

Commencement Information

I4 Sch. 2 para. 4 in operation at 21.5.2007, see [reg. 1](#)

(1) S.R. 1996 No. 228, to which there are amendments not relevant to these Regulations

Changes to legislation: There are currently no known outstanding effects for the *The Offshore Installations (Safety Case) Regulations (Northern Ireland) 2007, SCHEDULE 2. (See end of Document for details)*

5. A suitable plan of the intended location of the installation and of anything which may be connected to it, and particulars of—

- (a) the meteorological and oceanographic conditions to which the installation may foreseeably be subject; and
- (b) the properties of the [^{F1}bed of internal waters] and subsoil at its location.

F1 Words in Regulation substituted (19.12.2016) by [The Offshore Installations \(Offshore Safety Directive\) \(Safety Case etc.\) Regulations \(Northern Ireland\) 2016 \(S.R. 2016/406\)](#), reg. 1, **Sch. 14 para. 36(3)** (with regs. 4(2), 36(4), Sch. 16)

Commencement Information

I5 [Sch. 2 para. 5](#) in operation at 21.5.2007, see [reg. 1](#)

6. Particulars of the types of operation, and activities in connection with an operation, which the installation may perform.

Commencement Information

I6 [Sch. 2 para. 6](#) in operation at 21.5.2007, see [reg. 1](#)

7. A general description of the means by which the management system of the operator will ensure that the structure and plant of the installation will be designed, selected, constructed and commissioned in a way which will control major accident risks to comply with the relevant statutory provisions.

Commencement Information

I7 [Sch. 2 para. 7](#) in operation at 21.5.2007, see [reg. 1](#)

8. A summary of the verification scheme prepared pursuant to regulation 19(2)(b).

Commencement Information

I8 [Sch. 2 para. 8](#) in operation at 21.5.2007, see [reg. 1](#)

9. Where a non-production installation is to be converted for use as a production installation, an explanation of why the owner considers the installation suitable for conversion.

Commencement Information

I9 [Sch. 2 para. 9](#) in operation at 21.5.2007, see [reg. 1](#)

10. Where a production installation is to be moved to a new location [^{F2}within internal waters] , an explanation of why the operator considers the installation suitable for the new location.

F2 Words in [Sch. 2 para. 10](#) inserted (19.12.2016) by [The Offshore Installations \(Offshore Safety Directive\) \(Safety Case etc.\) Regulations \(Northern Ireland\) 2016 \(S.R. 2016/406\)](#), reg. 1, **Sch. 14 para. 42** (with reg. 4(2), Sch. 15)

Changes to legislation: *There are currently no known outstanding effects for the The Offshore Installations (Safety Case) Regulations (Northern Ireland) 2007, SCHEDULE 2. (See end of Document for details)*

Commencement Information

I10 Sch. 2 para. 10 in operation at 21.5.2007, see **reg. 1**

Changes to legislation:

There are currently no known outstanding effects for the The Offshore Installations (Safety Case) Regulations (Northern Ireland) 2007, SCHEDULE 2.
