 - (c) of two academic years' duration.
- (3) Subject to paragraph (4), “eligible student” has the meaning given in regulation 5.
- (4) For the purposes of the college fee loan, references to an eligible student in regulations 7, 8, 9 and 89 and Schedule 4 include a person treated as an eligible student by virtue of regulation 82.
- (5) The Department may determine that a qualification is an equivalent or lower qualification if—
- (a) an eligible student holds a higher education qualification from any institution whether or not in the United Kingdom; and
 - (b) the qualification referred to in sub-paragraph (a) is of an academic level which is equivalent to or higher than a qualification to which the current course leads.
- (6) In these Regulations, a person is a “gap year student” in relation to a course provided by or on behalf of an institution that was publicly funded as at 1st August 2005 if the person meets the conditions in paragraph (7) or (9).
- (7) The conditions are—
- (a) the person had on or before 1st August 2005 received an offer, whether conditional on obtaining specified qualifications or not, of a place on the current course or a similar course; and
 - (b) the first academic year of the current course began on or after 1st September 2006 but before 1st September 2007.
- (8) In paragraph (7), a course (the “original course”) is similar to the current course if—
- (a) it appears to the academic authority of the institution providing the current course that the subject-matter of the course is in whole or in part the same as the subject-matter of the original course; and
 - (b) except where the original course is no longer being provided, the current course is provided by the institution which was to have provided the original course.
- (9) The conditions are—
- (a) the person had received an offer of a place on a designated course (whether or not at the same institution as the current course) the first academic year of which began before 1st September 2006;
 - (b) the person was unable to take up the offer because a specified qualification or grade was not awarded to them;
 - (c) the person appealed against the decision not to award them the qualification or grade;
 - (d) the appeal was allowed after the last date on which they could have taken up the offer;
 - (e) as a result, the person was offered a place on the current course; and
 - (f) the first academic year of the current course began on or after 1st September 2006 but before 1st September 2007.
- (10) In these Regulations—
- (a) a course is a “sandwich course” if—
 - (i) it is not a course for the initial training of teachers;
 - (ii) it consists of alternate periods of full-time study in an institution and periods of work experience; and

- (iii) taking the course as a whole, the student attends the periods of full-time study for an average of not less than 18 weeks in each year;
- (b) in calculating the student's attendance for the purposes of sub-paragraph (a), the course is to be treated as beginning with the first period of full-time study and ending with the last such period; and
- (c) for the purposes of sub-paragraph (a), where periods of full-time study and work experience alternate within any week of the course, the days of full-time study are aggregated with each other and with any weeks of full-time study in determining the number of weeks of full-time study in each year.

(11) In these Regulations, the "specified designated course" means the current course subject to paragraphs (12) and (13).

(12) Where the student's status as an eligible student has been transferred to the current course as a result of one or more transfers of that status by the Department from a course (the "initial course") in connection with which the Department determined the student to be an eligible student pursuant to regulations made by the Department under Article 3 of the Order, the specified designated course is the initial course.

(13) Where the current course is an end-on course, the specified designated course is the course in relation to which the current course is an end-on course (the "preceding course"). Where the preceding course is itself an end-on course, the specified designated course is the course in relation to which the preceding course is an end-on course.

Amendment of the Education (Student Support) Regulations (Northern Ireland) 2008

3. The Education (Student Support) Regulations (Northern Ireland) 2008 are amended in accordance with Schedule 1.

Revocation, savings and transitional provisions

4.—(1) Subject to paragraphs (2) and (3), the 2008 Regulations are revoked on 1st September 2009.

(2) Paragraph (3) of regulation 4 of the 2008 Regulations continues to apply.

(3) The 2008 Regulations continue to apply to the provision of support to students in relation to an academic year which begins on or after 1st September 2008 but before 1st September 2009.

(5) Despite any other provision in these Regulations where a person—

- (a) attends a course in respect of which a transitional award was made to that person; or
- (b) had received no award under the 1986 Order in respect of the course but a transitional award would have been made had the person applied for an award under the 1986 Order and the person's resources had not exceeded the person's requirements,

the person is an old system student for the purposes of Parts 4 and 5 in connection with the course, or in connection with any subsequent course to which the award (either made or which would have been made under the 1986 Order) would have been transferred if transitional awards provided for payments after the first year of a course, but unless paragraph (6) applies the person qualifies for support by way of loan for living costs under Part 6 only if the person is an eligible student under these Regulations and if the person satisfies the qualifying conditions for an old system student in Part 6.
