These Regulations amend the Dogs (Licensing and Identification) Regulations (Northern Ireland) 1983 by setting out, for the period 1st January 2010 up to and including 31st December 2013, the shape, dimensions and colour of licence identification discs issued by district councils.

While the shape and dimensions of the disc remain unchanged throughout the period, its colour varies each year so that it must be blue where a dog licence or block licence is issued in 2010, orange where such a licence is issued in 2011, green where such a licence is issued in 2012, and yellow where such a licence is issued in 2013.

The Regulations revoke the Dogs (Licensing and Identification) (Amendment) Regulations (Northern Ireland) 2005.
