PART 4**Miscellaneous****Option to persons detrimentally affected by these Regulations**

19.—(1) This regulation applies in relation to any benefit which is being paid, or may become payable, under the regulations amended by these Regulations (“the amended regulations”) to or in respect of a person who having served in an employment or office which qualified the person to participate in the benefits provided under the amended regulations, ceased to serve in that office or employment before these Regulations came into operation.

(2) Where, in a case to which this regulation applies, any provision of these Regulations would operate in relation to any person so as to place that person in a worse position than that person would have been if that provision had not applied, that person may elect that the provision shall not apply by giving notice in accordance with paragraph (3).

(3) A notice given pursuant to paragraph (2) shall be in writing and shall be delivered to the Department within 6 months of the coming into operation of these Regulations or such longer period as the Department may allow.

(4) An election pursuant to paragraph (2) shall have effect in relation to the benefit referred to in paragraph (1) only to the extent that such benefit has accrued by virtue of periods of service rendered prior to the cessation referred to in paragraph (1) (or, if there has been more than one such cessation, the last of them before the coming into operation of these Regulations) and in determining entitlement to, and the amount of, the benefit to that extent, such person shall be treated as if that person had never recommenced service at any time after that cessation (or, as the case may be, the last such cessation).

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations further amend the Health and Personal Social Services (Superannuation) Regulations (Northern Ireland) 1995 (S.R. 1995 No.95) (“the 1995 Regulations”), the Health and Social Care (Pension Scheme) Regulations (Northern Ireland) 2008 (S.R. 2008 No.256) (“the 2008 Regulations”).

Regulation 1 provides for citation, commencement and effect, including that certain provisions of this rule are to take effect from various dates before the date of commencement. Article 14(1) of the Superannuation (Northern Ireland) Order 1972 provides authority for the regulations specified in regulation 1(3), (4) and (5) to take effect as from a date earlier than the making of these Regulations.

The remainder of the Regulations are divided into three Parts, with Parts 2 and 3 amending the 1995 Regulations and the 2008 Regulations and Part 4 providing that certain persons detrimentally affected by these Regulations may elect for the provisions not to apply to them.

Parts 2 and 3 make similar amendments in respect of both the 1995 Regulations and the 2008 Regulations. They also introduce amendments specific to either the 1995 Regulations or the 2008 Regulations.

The changes dealing with similar issues in Parts 2 and 3 (amending the 1995 and 2008 Regulations)—

- introduce uprated pay/earnings bands for the purpose of assessing tiered contribution percentage rates for members and remove the provisions which permit the Department to change the bands and tiered contribution rates by making a determination (regulations 3, 8, 12, 13, 14, 16 and 17)
- specify that the current employer contribution rate is 13.3% (regulations 4, 15, and 18)
- reflect the respective roles of the Department, the Department of Finance and Personnel, the Scheme Actuary and representatives of employees and employing authorities in the setting of assumptions on which actuarial reports of the scheme’s liabilities are based (regulations 6 and 10).

The changes specific to Part 2 (amending the 1995 Regulations) provide for the scheme’s obligations in respect of guaranteed minimum pensions to remain linked to age 60 for women and age 65 for men (regulation 5) and insert a new regulation 97B to provide for interest to be paid in respect of delays in the payment of benefits and refund of contributions (regulation 7).

The changes specific to Part 3 (amending the 2008 Regulations) regroup regulations that deal with the member and employer contributions due in respect of members who are non-GP providers (regulations 11, 14 and 15).

Part 4 provides that deferred members, or members in receipt of a relevant benefit, who are detrimentally affected by these Regulations may elect for the provisions not to apply to them by giving notice within six months of the coming into operation of these Regulations (regulation 19).
