EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend Article 15 (6) of the Firearms (Northern Ireland) Order 2004 (“the 2004 Order”) which relate to applications for a visitor’s firearm permit.

Council Directive [1991/477/EEC](#)⁽⁴⁾ as amended, on the control of the acquisition and possession of weapons was transposed by the Firearms (Northern Ireland) Order 1981 (Amendment) Regulations 1992⁽⁵⁾, which amended the Firearms (Northern Ireland) Order 1981⁽⁶⁾ (“the 1981 Order”). The 1981 Order was repealed by the 2004 Order which replaced it but re-enacted the requirements of that part of the Directive dealing with the European Firearms Pass. Article 15(6) of the 2004 Order currently requires an applicant for a visitor’s firearms permit to submit an original European Firearms Pass to the Chief Constable. Article 12(2) of that Directive allows member states to grant authorisations to those in possession of firearms for journeys between member states, and states that such authorisations must be entered onto the European Firearms Pass, which the traveller must produce whenever so required by the authorities of the member states.

Regulation 2 amends Article 15 (6) of the 2004 Order so that a person resident in Northern Ireland applying for a visitor’s firearm permit on behalf of a person can produce to the Chief Constable a copy of the European Firearms Pass as an alternative to the original document.

Article 15(6) is also amended so that, where a copy of the European Firearms Pass has been produced instead of the original document, the Chief Constable who grants a visitor’s permit shall endorse a statement (identifying the permit, the firearm, and the effect of the permit) on the copy rather than on the original document.
