## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order fixes the amount of the regional rates for the year ending 31st March 2014. It fixes 33.02 pence in the pound as the amount of the regional rate to be levied on the rateable net annual values of hereditaments (“non-domestic regional rate”) and 0.3882 pence in the pound as the amount of the regional rate to be levied on the rateable capital values of hereditaments (“domestic regional rate”). The non-domestic regional rate and the domestic regional rate are both increased by 2.7 per cent.

The Order also fixes 8.75 pence in the pound as the amount of the additional regional rate to be levied for the year ending 31st March 2014 on the rateable net annual value of every large retail hereditament. This rate is also increased in line with the 2.7 per cent. regional rate increase. “Large retail hereditament” is defined in Article 7A(3) of the Rates (Northern Ireland) Order 1977 (as inserted by section 1 of the Rates (Amendment) Act (Northern Ireland) 2012).

Hereditaments which are dwelling-houses, private garages and private storage premises have a rateable capital value. Hereditaments which are used partly for the purposes of a private dwelling have a rateable capital value and a rateable net annual value. All other hereditaments have a rateable net annual value.
