**The Planning (Listed Buildings)
Regulations (Northern Ireland) 2015**

Made - - - - *26th February 2015*

Coming into operation *1st April 2015*

The Department of the Environment makes the following Regulations in exercise of the powers conferred on it by sections 42 (as applied by section 87(1) and (2)), 80(5), 86, 95(2), 100(2), 107(2), 181(1) and 247(1) and (6) of the Planning Act (Northern Ireland) 2011⁽¹⁾.

Citation, commencement and interpretation

1.—(1) These Regulations may be cited as the Planning (Listed Buildings) Regulations (Northern Ireland) 2015 and shall come into operation on 1st April 2015.

(2) In these Regulations—

“appropriate council” means the council for the district in which building is situated;

“council” means a district council;

“electronic communication” has the meaning assigned to it by section 4 of the Electronic Communication Act (Northern Ireland) 2001⁽²⁾;

any reference to a section is a reference to a section of the Planning Act (Northern Ireland) 2011.

(3) In these Regulations, and in relation to the use of electronic communications for any purpose of these Regulations which is capable of being carried out electronically—

(a) the expression “address” includes any number or address used for the purpose of such communications, except that where these Regulations impose any obligation on any person to provide a name and address to any other person, the obligation is not fulfilled unless the person on whom it is imposed provides a postal address;

(b) references to plans, notices or other documents or to copies of such things include references to such documents or copies of them in electronic form.

(1) 2011 c.25 (N.I.)

(2) 2001 c.9 (N.I.) as amended by 2003 c.21

(4) Paragraphs (5) to (8) apply where an electronic communication is used by a person for the purpose of fulfilling any requirement in these Regulations to give or send any plan, notice or other document to any other person (“the recipient”).

(5) The requirement must be taken to be fulfilled where the plan, notice or other document transmitted by means of electronic communication is—

- (a) capable of being accessed by the recipient;
- (b) legible in all material respects; and
- (c) sufficiently permanent to be used for subsequent reference.

(6) In paragraph (5), “legible in all material respects” means that the information contained in the notice or document is available to the recipient to no lesser extent than it would be if sent or given by means of a document in printed form.

(7) Where the electronic communication is received by the recipient outside the recipient’s business hours, it must be taken to have been received on the next working day; and for this purpose “working day” means a day which is not a Saturday, Sunday or a public holiday.

(8) A requirement in these Regulations that any document should be in writing is fulfilled where that document meets the criteria in paragraph (5).

2.—(1) An application for listed building consent must be made in writing to the appropriate council.

(2) An application for such consent must include—

(3) The application must be accompanied by such plans and drawings as are necessary to describe the works to which it relates.

(4) The council or, as the case may be, the Department may give directions either generally or in relation to a particular case specifying the kinds of particulars, plans or information to be included in an application.

(3) In regulation 2(3)(a) the requirement that an application for listed building consent must be accompanied by a plan sufficient to identify the building is satisfied where the applicant identifies the building on an electronic map provided by the council and for this purpose a map is taken to be provided where the council has published it on its website.

Advertisement of unopposed revocation or modification order

14. Where by virtue of the provisions of section 100(2) (procedure for section 98 orders: unopposed cases) the making of an order under section 98 (revocation or modification of listed building consent by council) in respect of works to a building is required to be advertised, the council must publish the advertisement in the same manner as is prescribed in relation to an application for listed building consent by regulation 7(1)(a) and (b).
