

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

## SCHEDULE 6

### ADDITIONAL CONDITIONS THAT APPLY TO THE KEEPING OF PIGS

#### PART IV

#### SOWS AND GILTS

**22.** Sows and gilts between weaning their piglets and the perinatal period must be provided with a clean, adequately drained, comfortable lying area and must, if necessary, be given suitable nesting material.
