

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 6

ADDITIONAL CONDITIONS THAT APPLY TO THE KEEPING OF PIGS

PART V

PIGLETS

27. Tail docking and tooth clipping must be carried out only when there is evidence, on the farm, that injuries to sows' teats or to other pigs' ears or tails have occurred as a result of not carrying out these procedures.
