

SCHEDULE 1

AGREEMENTS ARRANGEMENT OF PARAGRAPHS

Performance of personal medical services

11. An agreement shall—

- (a) require that all performers who are primarily responsible for the performance of personal medical services (and not just a particular aspect of personal medical services) in respect of the patients have a performer’s list, whether or not they also participate in arrangements for a pooled list in connection with the agreement;
- (b) name each of the performers who will under the agreement be primarily responsible for the performance of personal medical services, or any particular aspect of personal medical services, in respect of the patients;
- (c) specify in respect of each of the performers who are named in the agreement in accordance with sub-paragraph (b)—
 - (i) the services which that person is to perform under the agreement, including whether that person is to perform child health surveillance services, contraceptive services, minor surgery services or maternity medical services and, if so, which of them;
 - (ii) if that person is not the provider, the nature of that person’s legal relationship with the provider; and
 - (iii) whether that person is to have a performer’s list and, if so, whether that person is also to participate in any arrangements for a pooled list; and
- (d) specify the circumstances in which personal medical services, or any aspect of personal medical services, will be performed by a person other than a performer who is primarily responsible for the performance of those services.
