The Landfill (Scotland) Regulations 2003

PART I

PRELIMINARY

Cases where regulations do not apply

4. These Regulations do not apply to—
- (a) the spreading of sludges (including sewage sludges and sludges resulting from dredging operations) and similar matter on the soil for the purposes of fertilisation or improvement;
 - (b) the use of suitable inert waste for redevelopment, restoration and filling-in work or for construction purposes;
 - [^{F1}(ba) waste which falls within the scope of the Management of Extractive Waste (Scotland) Regulations 2010;]
 - (c) the deposit of—
 - (i) non-hazardous dredging sludges alongside the bank or towpath of a small waterway from which they have been dredged where that activity falls within the exemption from waste management licensing in paragraph 25 of [^{F2}Schedule 1 to the Waste Management Licensing (Scotland) Regulations 2011];
 - (ii) non-hazardous sludges in surface waters, including the bed and its sub-soil;
 - (d) any landfill which finally ceased to accept waste for deposit before 16th July 2001.
