The Renewables Obligation (Scotland) Order 2006

PART 8

Provision of Information and Functions of the Authority

Exchange of information with the Northern Ireland Authority

29.—(1) The Authority shall as soon as reasonably practicable after the specified day notify the Northern Ireland Authority of the NIROC identifier of each NIROC produced to it by a designated electricity supplier under article 12 and the name of the designated electricity supplier which produced that NIROC and of the total number of NIROCs produced to the Authority under article 12 in respect of the obligation period to which the specified day relates.

(2) The Authority shall as soon as reasonably practicable after receiving a notification from the Northern Ireland Authority as to the SROC identifiers of SROCs produced to it by the Northern Ireland suppliers under any NIRO Order inform the Northern Ireland Authority of—

- (a) the SROC identifier of any SROC so notified which it has revoked under article 20 and whether it has issued a replacement SROC under article 20(4)(b) in respect of any such SROC (unless that replacement SROC has itself been revoked); and
- (b) the SROC identifier of any SROC so notified that has also been produced by a designated electricity supplier under article 3(2) and the date on which it was also produced.

(3) The Authority shall as soon as reasonably practicable after the specified day notify the Northern Ireland Authority as to the number of certificates produced to the Authority under article 3 and the number of certificates certifying the matters in section 32B(2A) of the Act produced to the Authority under article 13 by each designated electricity supplier in respect of the obligation period to which the specified day relates.
