(a) in the execution or purported execution of the Hygiene Regulations; and

(b) within the scope of the officer's duties,

if the officer did that act in the honest belief that the officer's duties under the Hygiene Regulations required or entitled the doing of it.

- (b) outside the scope of the officer's duties,

the authority may indemnify the officer against the whole or a part of any damages which the officer has been ordered to pay or any costs which the officer may have incurred if it is satisfied that the officer honestly believed that the act complained of was within the scope of the officer's duties.

(4) A public analyst appointed by a food authority shall be treated for the purposes of this regulation as being an officer of the authority, whether or not the analyst's appointment is a whole time one.

- (a) the appointment of an official veterinarian;
- (b) the designation of an approved veterinarian; or

(2) Where the Agency revokes or suspends a designation or appointment under paragraph (1), the Agency shall, as soon as practicable, give to the person whose designation or appointment has been revoked or suspended a notice in writing of the reasons for the revocation or suspension and shall afford that person an opportunity of—

- (d) of the manner in which and the time (not being less than 21 days from the giving of the notice) within which an application for an opportunity to be heard may be made.

(4) In the event of the person whose designation or appointment has been revoked or suspended making any representations (whether orally or in writing) under paragraph (2) the Agency shall reconsider whether that person is unfit to perform any of the functions of the post they hold under the Hygiene Regulations and shall, as soon as practicable, reconsider its decision to revoke or suspend the designation or appointment under paragraph (1) in the light of those representations.

(5) Where a person requests the opportunity to be heard pursuant to paragraph (2)(b)—

- (a) the Agency shall nominate a person to determine the matter from the list established under paragraph (6);
- (b) the person so nominated shall serve a notice on the person requesting the opportunity to be heard and the Agency informing them of the time (not being less than 21 days from the giving of the notice) of the hearing; and

(c) the person so nominated shall, within 21 days of the hearing, notify the person requesting the opportunity to be heard and the Agency of the determination made.

(6) The Agency shall establish and maintain a list of persons who may be nominated for the purposes of this regulation and shall consult those organisations appearing to it to represent official veterinarians, approved veterinarians and official auxiliaries before including any person on the list.

(2) Where any food is certified as mentioned in paragraph (1) it shall be treated for the purposes of section 9 of the Act as failing to comply with food safety requirements.

(3) Where any food certified as mentioned in paragraph (1) is part of a batch, lot or consignment of food of the same class or description, all the food in the batch, lot or consignment shall, until it is proved that it has been produced, processed or distributed in compliance with the Hygiene Regulations, be treated for the purposes of paragraph (2) as having been so certified.
