(2) The numerator of such fractions is the number of complete days of membership and the denominator is 365.

(3) Membership in part-time service is counted as the appropriate fraction of the duration of membership.

(4) The numerator of that fraction is the number of contractual hours during the part-time service and its denominator is the number of contractual hours of that employment if it were on a whole-time basis.

(5) The amount of any annual pension payable to a member as a result of membership is the member's total period of membership multiplied by the member's final pay and divided by 60.
