

SCHEDULE 6

PART I

GENERAL

Method of referring to species of seed

1. Where the species of seed is one of the particulars to be indicated on a label, in accordance with any of the provisions of this Schedule, the species must be indicated at least under its botanical name, which may be given in abridged form and without the authority's name, in Roman characters and an indication requires to be given of whether sugar beet or fodder beet.

Method of referring to varieties of seed

2. Where the variety of seed is one of the particulars to be indicated on a label, in accordance with the provisions of this Schedule, the variety must be indicated at least in Roman characters.
