- (a) the amount (if any) of any standard increase applied in relation to P’s eligible employment during P’s period of permanent service; and
- (b) the amount (if any) by which those pensionable earnings together with any standard increase would have been increased if they had been an official pension within the meaning of section 5(1) of PIA 1971 beginning, and first qualifying for increases under that Act, on the day after the day on which the period of permanent service began;

“residential accommodation” means residential accommodation provided to a person (P) in connection with P’s employment;

- (b) is unrelated to any change in P’s duties or hours of work or otherwise to the particular circumstances of P’s case.

Pensionable earnings

33.—(1) This regulation applies to an active member (P).

(2) P’s pensionable earnings for any pay period are the sum of the following amounts paid in that pay period to P by P’s employer in respect of P’s pensionable service—

Amounts not forming part of pensionable earnings

- 34.**—(1) This regulation applies to any active member (P).
- (2) P's pensionable earnings do not include any of the following amounts paid to P by P's employer—
- (a) any benefit in kind, or the money value of such a benefit, excluding—

- (2) P's employer (E) may apply in writing to the scheme manager asking for the money value of those residential benefits in kind to form part of P's pensionable earnings.
- (3) The application must be made within 3 months after the later of—
- (a) the first day of P's employment; or
 - (b) the first day on which residential accommodation is provided to P.
- (4) The application must be accompanied by a statement certifying that E will—

- 36.**—(1) The scheme manager, if satisfied that it is reasonable for residential accommodation to be provided to a person (P) by P's employer (E) in connection with P's employment, may decide that the money value of residential benefits in kind forms part of P's pensionable earnings from—
- (a) the first day of P's employment; or

- (b) if later, the first day on which residential accommodation is provided to P.
- (2) If the money value of the residential accommodation exceeds 1/6th of the aggregate of the amounts mentioned in regulation 33(2)(a) to (d), the excess does not form part of P's pensionable earnings.
- (3) The scheme manager may revoke a decision that the money value of residential benefits in kind forms part of P's pensionable earnings if E does not—
 - (a) carry out the reviews in accordance with regulation 35; or
 - (b) inform the scheme manager of the results of those reviews within a reasonable time.
- (4) If paragraph (3) applies, the scheme manager must—
 - (a) calculate the amount attributable to the overpayment of contributions (“the amount”); and

- (5) The amount is the difference between—
 - (a) the sum of the amount of members' contributions, any faster accrual contributions and any buy-out contributions E deducted from P's pensionable earnings⁽²¹⁾ during the period in which the residential benefits in kind formed part of P's pensionable earnings; and
 - (b) the sum of the amount of members' contributions, any faster accrual contributions and any buy-out contributions which E would have deducted from P's pensionable earnings during that period had the residential benefits in kind not formed part of P's pensionable earnings.
- (6) Interest is applied at the rate of 3% each year, compounded with yearly rests—
 - (a) from the first day of the financial year following the year in which the contributions were first deducted;
 - (b) until the day on which the amount attributable to the overpayment of contributions is repaid.

Pensionable earnings for the purpose of accruing benefits

- 37.** For the purpose of calculating a member's (P's) amount of earned pension for a pay period—
- (a) if P's pensionable earnings are reduced during sick leave, adoption leave, maternity leave, parental leave, paternity leave or additional paternity leave, P's pensionable earnings for that period include P's notional pensionable earnings; and
 - (b) if an election under regulation 25 has effect or is taken to have effect for that period, P's pensionable earnings for that period are an amount equal to P's notional salary.

CHAPTER 5

Annual rate of pensionable earnings for multiple employments

Multiple regular full-time or part-time employments

- 38.**—(1) This regulation applies if—
- (a) a person (P) is in pensionable service in relation to more than one employment, and
 - (b) each employment is a regular full-time or part-time employment
- (2) P's annual rate of pensionable earnings is found by—
- (a) calculating the D value for each employment; and
 - (b) adding all the D values.

(21) Contributions are deducted under Part 9.

- (3) The D value for an employment is FT x C.
- (4) FT means the annual rate of pensionable earnings for that employment.
- (5) C means—

$$\frac{\text{The A value}}{B}$$

where—

- (a) for a full-time employment, the A value is 1;
- (b) for a part-time employment, the A value is—

$$\frac{PT}{FT};$$

- (c) PT means the amount payable for a full year of a part-time employment, not its full-time equivalent; and
- (d) B is the sum of all the A values.

Multiple employments including at least one irregular employment

39.—(1) This regulation applies if—

- (a) a person (P) is in pensionable service in relation to more than one employment; and
- (b) at least one employment is an irregular employment.

(2) P's full-time equivalent annual rate of pensionable earnings is the higher of—

- (a) Figure 1; and
- (b) either—
 - (i) Figure 2, if P is in more than one regular employment; or
 - (ii) Figure 3, if P is only in one regular employment.

(3) In paragraph (2)—

- (a) Figure 1 is obtained by dividing the sum of the annual rate of each of P's employment by the total number of P's employments;
- (b) Figure 2 is the result of the calculation set out in regulation 38 for P's regular employments, disregarding P's irregular employment or employments;
- (c) Figure 3 is the full-time equivalent rate of pensionable earnings for P's sole regular employment; and
- (d) if Figure 1 and either Figure 2 or Figure 3 are the same amount, P's annual rate of pensionable earnings is that amount.

PART 4

“the leaving year” means the financial year in which the relevant last day falls;

“the relevant last day” means—

- (a) for a member who has made a phased retirement application, the day before the entitlement day for a phased retirement pension; and

41. For the purpose of this Part, a person (P) who re-enters pensionable service after a gap in service not exceeding 5 years is taken to be in pensionable service during the gap.

Meaning of “leaver index adjustment”

42.—(1) The leaver index adjustment for an amount of accrued earned pension other than an amount of club transfer accrued earned pension is an amount calculated as follows—

Step 1

Add 1.6 to the percentage increase or decrease specified in the Treasury order in relation to the leaving year.

Step 2

Multiply the result at Step 1 by A/B

where—

A is the number of complete months in the period between the beginning of the leaving year and the end of the relevant last day; and

B is 12.

The resulting percentage is the leaver index percentage.

Step 3

Multiply the amount of accrued earned pension by the leaver index percentage.

The resulting amount is the leaver index adjustment.

(2) The leaver index adjustment for an amount of club transfer accrued earned pension is the adjustment that would apply under the sending scheme to an amount of accrued earned pension equal to the amount of club transfer accrued earned pension specified in the active member’s account at the end of the relevant last day.

67.—(1) The amount of full retirement additional pension is the sum of—

- (a) the amount of accrued additional pension calculated under regulation 44(4); and
- (b) the leaver PIA index adjustment for that amount.

(2) In calculating the amount of full retirement additional pension, the leaver PIA index adjustment is not applied to the amount of accrued additional pension if a transfer value payment is made or a cash transfer sum is paid in respect of the member’s rights to that accrued pension before the end of the last active financial year.

Meaning of “phased retirement earned pension”

68. The amount of phased retirement earned pension is the sum of—

(2) The standard reduction is applied when calculating the annual rate of pension payable to a member (P) who—

- (a) was an active member immediately before the entitlement day for a phased retirement pension, premature retirement pension or early retirement pension; and
- (b) on the entitlement day for that pension—
 - (i) has reached normal minimum pension age; but
 - (ii) has not reached normal pension age.

(3) If a retirement pension becomes payable to P on or after the date on which P reaches 65, the standard reduction applies in relation to a proportion, determined by the scheme manager, of the time left until P reaches normal pension age.

Meaning of “actuarial adjustment”

71. In these Regulations, “actuarial adjustment” means the actuarial adjustment that is applied when calculating the annual rate of pension payable—

- (a) to a member who, on the entitlement day for a pension other than an age retirement pension or an ill-health pension, has not reached normal pension age; or
- (b) to an active member who becomes a pensioner member after reaching normal pension age.

Meaning of “commutation amount”

72. In these Regulations, “commutation amount”, in relation to any pension, means the amount of pension exchanged for a lump sum under regulation 162, 165, 166 or 168.

SECTION 6

Establishment of pensioner members’ accounts

Pension accounts for active or deferred members who become pensioner members

73.—(1) When an active member becomes entitled to payment of a retirement pension other than a phased retirement pension in respect of any pensionable service—

- (a) the active member’s account and any additional pension account must be closed; and

- (iii) the commutation amount (if any); and
- (b) the amount of full retirement additional pension payable to the member, and for that amount—
 - (i) the actuarial adjustment (if any); and
 - (ii) the commutation amount (if any).

Pension accounts for phased retirement members

- 74.**—(1) On the entitlement day for a phased retirement pension—
- (a) a pensioner member’s account must be established for the member;
 - (b) if the member is an active member, the active member’s account must be adjusted by reducing the amount of accrued earned pension specified in that account by the phased retirement proportion;
 - (c) if the member is a deferred member, the deferred member’s account must be adjusted by reducing the amount of accrued earned pension specified in that account by the phased retirement proportion;
 - (d) after the adjustment, Chapters 2 and 3 apply in relation to the member as if the amount of accrued earned pension specified in the active member’s account or deferred member’s account had always been reduced by the phased retirement proportion; and
 - (e) if the member has applied under regulation 91 to receive additional pension with the phased retirement earned pension, the additional pension account must be closed.
- (2) The pensioner member’s account must specify—
- (a) the amount of phased retirement earned pension payable to the member, and for that amount—
 - (i) the standard reduction (if any);

75. If an ill-health pension ceases to be payable under regulation 111 or 115, the pensioner member’s account must be closed.

Phased retirement pension ceases to be payable

76. If a phased retirement pension ceases to be payable under regulation 94, the pensioner member’s account must be closed.

CHAPTER 8

Pension accounts for pension credit members

Pension accounts for pension credit members

(2) The pension credit member’s account must specify the amount of credited pension and for that amount—

(3) In these Regulations, “amount of credited pension” means an amount equal to the pension credit calculated in accordance with regulations made under paragraph 5(b) of Schedule 5 to WRPA 1999.

Separate account for each capacity of membership

78.—(1) If a pension credit member is also an active member, deferred member or pensioner member, the pension credit member’s account is in addition to the other account or accounts to be established under this Part in respect of the member in the other capacity.

(2) If a pension credit member has rights under this scheme which are attributable, directly or indirectly, to pension credit derived from the rights of more than one pension debit member of this scheme, a separate account is to be established under this regulation in respect of the pension credit attributable to the rights of each such pension debit member.

PART 5

Retirement benefits for teachers

CHAPTER 1

Interpretation

Qualifying for retirement benefits

79.—(1) A person (P) is qualified for retirement benefits in respect of a period of pensionable service if—

- (a) P has at least 2 years’ qualifying service; or
- (b) after P enters pensionable service, a transfer value payment or cash transfer sum is accepted under Part 10 (transfers) in respect of P’s rights accrued under a personal pension scheme.

(2) In these Regulations, a period of qualifying service is the total of the following—

- (a) any period of pensionable service under this scheme (other than a period of post-benefit service);
- (b) if after P enters pensionable service under this scheme a transfer value payment or cash transfer sum has been accepted under Part 10 in respect of rights accrued under another occupational pension scheme, a period equal to the person’s period as an active member in that scheme;
- (c) any period of comparable British service;

- (d) any period of comparable United Kingdom service;
 - (e) for a transition member with continuity of service, any period of pensionable service under the existing scheme before the closing date.
- (3) Any pensionable service in respect of which a person's rights under this scheme or the existing scheme are extinguished is not qualifying service.

Re-qualifying for retirement benefits in respect of post-benefit service

- 80.**—(1) A person (P) is re-qualified for retirement benefits under these Regulations if—
- (a) P has at least 12 months' post-benefit qualifying service; or
 - (b) a transfer payment otherwise than from another occupational pension scheme has been accepted in relation to P during P's post-benefit service.
- (2) In these Regulations, a period of post-benefit qualifying service is the total of the following—
- (a) any period of post-benefit service under this scheme;
 - (b) for a transition member in respect of post-benefit service, any period of post-benefit service under the existing scheme before the member's transition date;
 - (c) if after P enters a period of post-benefit service a transfer payment has been accepted in respect of rights accrued under another occupational pension scheme, a period equal to the person's period of pensionable service under that scheme.
- (3) For the purpose of these Regulations, P enters a period of "post-benefit service" when—
- (a) P re-enters pensionable service—
 - (i) on or after reaching normal pension age; and
 - (ii) after a retirement pension (other than a phased retirement pension) or a short-service serious ill-health grant becomes payable; or
 - (b) P re-enters pensionable service—
 - (i) before reaching normal pension age; and
 - (ii) after a retirement pension (other than an ill health pension or phased retirement pension) or a short-service serious ill-health grant becomes payable.
- (4) For the purpose of these Regulations, P does not enter a period of "post-benefit service" if P re-enters pensionable service—
- (a) before reaching normal pension age; and
 - (b) after an ill-health pension or phased retirement pension becomes payable.
- (5) Any period of service in respect of which P's rights under this scheme or the existing scheme are extinguished is not included in a period of post-benefit service⁽²²⁾.

Payment of retirement benefits for post-benefit service

- 81.** For the purpose of calculating benefits in respect of a period of post-benefit service, P is taken to enter pensionable service for the first time when P enters the period of post-benefit service.

⁽²²⁾ Regulation 183(4) provides for extinguishment of rights following the refund of the member's contributions. Regulation 197(6) provides for extinguishment of rights following a transfer value payment.

CHAPTER 2

Age retirement

Meaning of “entitlement day” (age retirement pension)

82.—(1) The entitlement day for an age retirement pension is as follows.

(2) If a person (P) is qualified for retirement benefits, the entitlement day is the earliest of the following—

- (a) if P is in pensionable service on the day on which P reaches normal pension age—
 - (i) the day after P leaves all pensionable service; or
 - (ii) the day on which P reaches 75; and
- (b) if P is not in pensionable service on the day on which P reaches normal pension age, the day on which P reaches normal pension age.

(3) If P is re-qualified for retirement benefits, the entitlement day is the earliest of the following—

- (a) if P is in pensionable service on the date of application, the day after P leaves all pensionable service;
- (b) if P has left all pensionable service on the date of application, such day as P specifies in the application, which must be no earlier than 6 weeks after the date of application;
- (c) the date of P’s 75th birthday.

(4) In this regulation, “date of application” means the day on which P applies for the payment of an age retirement pension.

(2) An age retirement pension is payable for life.

Annual rate of age retirement pension

84.—(1) This regulation applies if an active member or a deferred member (P) becomes entitled to payment of an age retirement pension.

(2) The annual rate of age retirement pension payable to P is found by—

- (a) taking the amount of full retirement earned pension specified in P’s pensioner member’s account;
- (b) applying the actuarial adjustment (if any) specified in that account in relation to that amount;
- (c) subtracting the conversion amount (if any) specified in that account in relation to that amount;
- (d) adding the amount of full retirement additional pension (if any) specified in that account; and

- (e) subtracting the commutation amount (if any) specified in that account in relation to the sum of those amounts.

Arrears of pension payable to deferred member who becomes pensioner member after reaching normal pension age

85. A deferred member (P) who becomes a pensioner member after reaching normal pension age is entitled to be paid the total of the following—

- (a) the amount found by multiplying the sum of the amount of full retirement earned pension and the amount of full retirement additional pension (if any) specified in P’s pensioner member’s account by the period (in years and fractions of a year) for which P was a deferred member after reaching normal pension age; and
- (b) interest payable on that amount in accordance with regulation 172.

CHAPTER 3

Phased retirement

Interpretation of Chapter

86.—(1) In this Chapter—

“average annual rate”, in relation to pensionable earnings in a 6 month period, means the amount of pensionable earnings in that period multiplied by 2;

“increased annual rate”, in relation to pensionable earnings, has the meaning given in regulation 94;

“new employment” has the meaning given in regulation 88(2);

“new employment condition” has the meaning given in regulation 88;

“pensionable earnings”, for a person not in an eligible employment, means the amount which would be the person’s pensionable earnings if the employment were eligible employment;

“phased retirement application” means an application under regulation 159 for payment of a phased retirement pension;

“previous employment” has the meaning given in regulation 88(2);

“reduced annual rate”, in relation to pensionable earnings, has the meaning given in regulation 87(2);

“reduced annual rate condition” has the meaning given in regulation 87.

(2) When calculating the reduced annual rate or increased annual rate of a person’s pensionable earnings, any standard increase⁽²³⁾ which takes effect on or after the entitlement day must be ignored.

The reduced annual rate condition

87. A person (P) meets the reduced annual rate condition if—

- (a) P is in one or more eligible employments;
- (b) the terms of employment change and as a result there is a reduction in the annual amount of P’s pensionable earnings; and
- (c) the reduced annual rate is not more than 80% of the average annual rate of P’s pensionable earnings for the 6 months of pensionable service immediately before the reduction.

(23) See the meaning of “standard increase” in Chapter 4 of Part 3.

The new employment condition

- 88.**—(1) A person (P) meets the new employment condition if—
- (a) P leaves all eligible employment;
 - (b) within 6 months after leaving all eligible employment, P enters a new employment; and
 - (c) on the day after the entitlement day referred to in regulation 89 the reduced annual rate of P’s pensionable earnings in the new employment does not exceed 80% of the average annual rate of P’s pensionable earnings for the last 6 months of the previous employment.
- (2) In this regulation—
- “a new employment” means—
- (a) one or more new eligible employments;
 - (b) one or more employments with an employer mentioned in any paragraph in Part 2 of Schedule 1 that is not an eligible employment where P’s normal duties in the employment include providing education or services ancillary to education (other than administrative services); or

- 90.**—(1) A person (P) is entitled to payment of a phased retirement earned pension from the entitlement day if—
- (a) P has reached 55 but has not reached 75;
 - (b) P is qualified or re-qualified for retirement benefits;
 - (c) P meets the reduced annual rate condition or the new employment condition;
 - (d) P has made a phased retirement application; and
 - (e) P has not applied under regulation 159 for payment of any other retirement pension.
- (2) P is entitled to payment of a phased retirement additional pension from the entitlement day if P has applied under regulation 91 to receive an additional pension with the phased retirement earned pension.
- (3) Subject to regulation 94, a phased retirement pension is payable for life.

Phased retirement applications

- 91.**—(1) For the purpose of regulation 90, a person (P) must make a phased retirement application within 3 months after the entitlement day.
- (2) The application must—
- (a) be accompanied by a certificate from P’s current employer stating that P meets the reduced annual rate condition or the new employment condition; and

(b) state whether P is applying to receive an additional pension with the phased retirement earned pension.

(3) A certificate is not required in relation to the new employment condition if the scheme manager is satisfied that P's current employer has not received the necessary information about P's previous employment from P's previous employer.

Phased retirement proportion

92.—(1) A phased retirement application must specify the proportion of accrued earned pension for which payment is claimed (“phased retirement proportion”).

(2) The phased retirement proportion must not exceed 75%.

Annual rate of phased retirement pension

93. The annual rate of phased retirement pension payable to a member (P) is found by—

- (a) taking the amount of phased retirement earned pension specified in P's pensioner member's account;
- (b) applying the standard reduction (if any) and the actuarial adjustment (if any) specified in that account in relation to that amount;
- (c) if P has applied to receive an additional pension with the phased retirement earned pension, adding the amount of phased retirement additional pension specified in that account;
- (d) applying the actuarial adjustment (if any) specified in that account in relation to that amount; and
- (e) subtracting the commutation amount (if any) specified in that account in relation to the sum of those amounts.

Cessation of phased retirement pension

94.—(1) A phased retirement pension ceases to be payable to a member (P) if—

- (a) in the 12 months after the entitlement day, the annual rate of P's pensionable earnings increases; and
- (b) as a result, the increased annual rate is more than 80% of the average annual rate of P's pensionable earnings in—
 - (i) if P met the reduced annual rate condition, the 6 months of pensionable service immediately before the reduced annual rate took effect; or
 - (ii) if P met the new employment condition, the last 6 months of the previous employment.

(2) In this regulation, “increased annual rate” means the annual rate of P's pensionable earnings in the 12 months after the entitlement day.

Subsequent phased retirement applications

95.—(1) P may make a subsequent phased retirement application if—

- (a) a phased retirement pension ceases to be payable under regulation 94 but P once more meets the reduced annual rate condition or the new employment condition; or
- (b) while P is receiving a phased retirement pension, the terms of P's employment change or P enters a new employment and P once more meets the reduced annual rate condition or the new employment condition.

- (2) P may not make a subsequent phased retirement application if—
- (a) P has made 3 previous phased retirement applications; or
 - (b) P has not reached 60 and has made 2 previous phased retirement applications.
- (3) If P makes a subsequent phased retirement application after a phased retirement pension ceases to be payable—
- (a) the phased retirement proportion specified in that application must be the same as or greater than the phased retirement proportion specified in the original application;
 - (b) if P applied under regulation 91 to receive an additional pension as part of the original pension, P must apply under that regulation to receive an additional pension as part of the new phased retirement pension (“the new pension”); and
 - (c) if P received a lump sum under regulation 162 in place of part of the original pension (“original lump sum”)—
 - (i) P must apply under that regulation to receive a lump sum in place of part of the new pension (“new lump sum”);
 - (ii) the amount of the new lump sum must be the same as or greater than the amount of the original lump sum; and
 - (iii) the amount of lump sum payable is the amount of the new lump sum less the amount of the original lump sum.
- (4) Any subsequent phased retirement application must be made in accordance with regulation 91.
- (5) In this regulation—
- “original application” means P’s application under regulation 159 for payment of the original pension;
 - “original pension” means a phased retirement pension that ceases to be payable under regulation 94;
 - “previous phased retirement application” includes the original application.

- (3) If P is in eligible employment when P applies under regulation 159 for payment of the pension and P's employer agrees that an early retirement pension should become payable to P, the entitlement day is the day after P leaves all eligible employment.
- (4) If P is in eligible employment when P applies under regulation 159 for payment of the pension and P's employer does not agree that an early retirement pension should become payable to P—
- (a) if P continues in eligible employment for at least 6 months after the date on which P asks P's employer to agree, the entitlement day is the day after P leaves all eligible employment;

- (3) An early retirement pension is payable for life.

Annual rate of early retirement pension

102. The annual rate of the early retirement pension payable to a person (P) is found by—

- (a) taking the amount of full retirement earned pension specified in P’s pensioner member’s account;
- (b) applying the standard reduction (if any) and the actuarial adjustment (if any) specified in that account in relation to that amount;
- (c) adding the amount of full retirement additional pension (if any) specified in that account;
- (d) applying the actuarial adjustment (if any) specified in that account in relation to that amount; and
- (e) subtracting the commutation amount (if any) specified in that account in relation to the sum of those amounts.

- (2) For the purpose of paragraph (1)—
- (a) an ill-health pension does not become payable before D’s death unless the initial payment of the pension is made before D’s death; and
 - (b) an ill-health pension that becomes payable before D’s death but ceases to be payable under regulation 111 or 115 is taken not to become payable before D’s death.

Annual rate of ill-health pension

- (a) taking the amount of full retirement earned pension specified in P’s pensioner member’s account;
 - (b) adding the amount of full retirement additional pension (if any) specified in that account; and
 - (c) subtracting the commutation amount (if any) specified in that account in relation to the sum of those amounts.

When ill-health pension ceases to be payable

- 111.—**(1) An ill-health pension ceases to be payable on the earlier of the following dates—
- (a) the date on which a person (P) re-enters eligible employment;
 - (b) the date on which P engages in any work as a teacher which is not an eligible employment.
- (2) An ill-health pension does not cease to be payable on that date if P has reached normal pension age.

SECTION 3

Total incapacity pension

Meaning of “entitlement day” (total incapacity pension)

112. The entitlement day for a total incapacity pension payable with an ill-health pension is the same as the entitlement day for the ill-health pension.

Entitlement to total incapacity pension

- 113.—**(1) A total incapacity pension is payable to a person (P) from the entitlement day if—
- (a) P is entitled to an ill-health pension because the scheme manager is satisfied that P meets the incapacity condition;
 - (b) P has applied under regulation 159 for payment of an ill-health pension and a total incapacity pension; and
 - (c) the scheme manager is satisfied after consideration of a medical report that P meets the total incapacity condition.
- (2) A total incapacity pension is not payable to P if—
- (a) P left an eligible employment for a reason other than because P was incapacitated; or
 - (b) P made the ill-health application—
 - (i) after leaving all eligible employment; and
 - (ii) more than 2 years after the last day of pensionable service.
- (3) Except as provided in regulation 115, the total incapacity pension is payable for life.

Annual rate of total incapacity pension

114.—(1) The annual rate of total incapacity pension payable to a person (P) is—
where—

$$\frac{PS}{2} \times \frac{AR}{57}$$

AR means P's annual rate of pensionable earnings—

- (i) as at the last day of pensionable service; or
- (ii) if P applies for a total incapacity pension while P is in stepped down employment, as at the day before P's annual rate of pensionable earnings was first reduced under paragraph (2);

PS means P's prospective service (in years and fractions of a year);

"P's prospective service" means the period beginning with the day after the entitlement day and ending on the day on which P would have reached prospective normal pension age.

(2) P is in stepped down employment if—

- (a) P is in an eligible employment;
- (b) the terms of that employment are changed wholly or partly because of P's ill-health;
- (c) as a result of the changed terms of employment, P's annual rate of pensionable earnings is reduced.

(3) For the purpose of paragraph (b) of the definition of AR, P's annual rate of pensionable earnings is increased by the amount (if any) by which it would have been increased if it had been an official pension within the meaning of section 5(1) of PIA 1971—

- (a) beginning, and first qualifying for increases under that Act, on the day after the day on which P's annual rate of pensionable earnings is reduced; and
- (b) ending on the day on which the scheme manager receives P's application for the total incapacity pension.

Cessation of total incapacity pension

115.—(1) A total incapacity pension ceases to be payable to a person (P) on the date on which P's ability to carry out any work ceases to be impaired by more than 90%.

(2) For the purpose of paragraph (1), P's ability to carry out any work ceases to be impaired by more than 90% on the earliest of the following dates—

- (a) the date on which P re-enters eligible employment;
- (b) the date on which P engages in any work as a teacher which is not an eligible employment;
- (c) the date on which P engages in any other form of work unless—
 - (i) P provides the scheme manager with a certificate from a registered medical practitioner stating that, in the opinion of the practitioner, P continues to meet the total incapacity condition despite engaging in such work; and
 - (ii) the scheme manager is satisfied that P continues to meet that condition despite engaging in such work.

(3) A total incapacity pension does not cease to be payable on that date if P has reached normal pension age.

CHAPTER 7

Short-service serious ill health grant

Application for payment of grant

116.—(1) An application made by a person (P) under regulation 159 for payment of a short-service serious ill-health grant—

- (a) must be accompanied by all the medical evidence necessary for the scheme manager to determine that P is entitled to the payment; and
 - (b) must be signed by P's employer.
- (2) The medical evidence must include a medical report containing evidence that P—
- (a) meets the incapacity condition; and
 - (b) has a life expectancy of less than a year.
- (3) An application is not to be granted unless it is made—
- (a) before P leaves all eligible employment; or
 - (b) within 6 months after the last day of pensionable service.

Meaning of “entitlement day” (short-service serious ill-health grant)

117. The entitlement day for a short-service serious ill-health grant is the day after a person (P) leaves all eligible employment because P is incapacitated.

Entitlement to short-service serious ill-health grant

118.—(1) A person (P) is entitled to payment of a short-service serious ill-health grant on the entitlement day if—

- (c) P is not qualified for retirement benefits;
- (d) P has not reached 75;
- (e) P has applied under regulation 159 for payment of the grant; and
- (f) the scheme manager is satisfied after consideration of the medical report that—
 - (i) P meets the incapacity condition; and
 - (ii) P has a life expectancy of less than a year.

(2) This regulation does not apply if P is in a period of post-benefit service immediately before the entitlement day.

Amount of grant

119.—(1) The amount of a short-service serious ill-health grant is the greater of—

- (a) 1/6th of the member's annual rate of pensionable earnings as at the last day of pensionable service; and
- (b) the total of the amounts specified in paragraph (2).

(2) The amounts are—

- (a) all members' contributions, additional pension contributions, buy-out contributions and faster accrual contributions paid up to the date of receipt of the application under regulation 116, except any paid in respect of a period of pensionable service for which a short-service serious ill-health grant has been paid; and
- (b) interest on those contributions from the first day of the financial year following that in which they were paid to the date of payment at 3% per year, compounded with yearly rests.

CHAPTER 8

Short-service annuity for post-benefit service

 - (c) P leaves all eligible employment; and
 - (d) P has applied under regulation 159 for payment of the annuity.
- (2) A short-service annuity is payable for life.

Annual rate of short-service annuity

122. The annual rate of a short-service annuity is the actuarial equivalent of the sum of—

- (a) all of the member’s standard contributions, faster accrual contributions (if any) and additional pension contributions (if any) in respect of a period of post-benefit service paid up to the date of receipt of the application under regulation 159; and
- (b) interest to the date of payment at 3% per year, compounded with yearly rests on those contributions from the first day of the financial year following that in which they were paid.

 - (iii) the first Monday in September.

CHAPTER 3

Death grant

SECTION 1

General

Payment of death grant

135. On the death of a member (D), a death grant is payable as follows—
- (a) to D’s death grant beneficiary;

- (b) if there is more than one death grant beneficiary, to those beneficiaries in the shares determined in accordance with regulation 130(4) and (5); or
- (c) if there is no death grant beneficiary—
 - (i) to D’s surviving adult; or
 - (ii) if there is no surviving adult, to D’s executors as part of D’s estate.

SECTION 2

Death in service

Death in service grant

136.—(1) A death grant is payable under this regulation if a member (D) dies in service (“death in service grant”).

(2) A death in service grant is not payable if—

- (a) D dies while in pensionable service that is not post-benefit service and a retirement pension other than a phased retirement pension becomes payable before D’s death; or
- (b) D dies while in a period of post-benefit service and a retirement pension in respect of that period becomes payable before D’s death.

(3) If D dies while in pensionable service that is not post-benefit service, the amount of the death in service grant is found by—

- (a) multiplying D’s annual rate of pensionable earnings as at the date of D’s death by 3; and
- (b) deducting the following amounts previously paid to D in respect of pensionable service under this scheme—
 - (i) any part of a lump sum under regulation 162;
 - (ii) any short-service serious ill-health grant.

(4) If D dies while in a period of post-benefit service, the amount of the death in service grant is found by—

- (a) multiplying D’s annual rate of pensionable earnings as at the date of D’s death by 3; and
- (b) deducting the following amounts previously payable to D under this scheme in respect of both the period of post-benefit service and any previous period of pensionable service—
 - (i) any lump sum under regulation 162 not attributable to additional pension;
 - (ii) any short-service serious ill-health grant.

SECTION 3

Death out of service

Death out of service grant

137.—(1) A death grant is payable under this regulation if a member (D) dies out of service (“death out of service grant”).

(2) A death out of service grant is not payable if a retirement pension other than a phased retirement pension becomes payable before D’s death.

(3) If a surviving adult pension becomes payable on D’s death, the amount of the death out of service grant is found by—

- (a) taking the amount of D’s accrued earned pension as at the date of D’s death;

- (b) multiplying that amount by 2.25; and
- (c) deducting the following amounts previously paid to D in respect of pensionable service under this scheme—
 - (i) any part of a lump sum under regulation 162;
 - (ii) any short-service serious ill-health grant.
- (4) If a surviving adult pension does not become payable on D's death, but D was qualified for retirement benefits, the amount of the death out of service grant is the greater of—
 - (a) the amount calculated under paragraph (3); or
 - (b) D's balance of contributions.
- (5) If at the date of D's death D was not qualified for retirement benefits or a short-service serious ill-health grant had not become payable, the amount of the death out of service grant is an amount equal to D's balance of contributions.

Supplementary death grant payable on death of pensioner member

- 138.**—(1) A death grant is payable under this regulation (“supplementary death grant”) if—
- (a) a member (D) dies as a pensioner member; and
 - (b) AR is greater than AP.
- (2) The amount of the death grant is AR-AP, where—
- AR is 5 x D's annual rate of retirement pension payable as at the date of D's death; and
 - AP is the total amount of pension which was payable to D up until D's death.

CHAPTER 4

Surviving adult pensions

Surviving adult pensions

- 139.**—(1) This regulation applies on the death of a person (D) if D is qualified or re-qualified for retirement benefits.
- (2) A surviving adult pension becomes payable to D's surviving adult from the day after the date of D's death.
 - (3) A surviving adult pension is payable for life.
 - (4) The annual rate of the pension is to be calculated in accordance with regulations 140 and 141.

Annual rate of surviving adult pension: short-term

- 140.**—(1) The short-term rate of surviving adult pension—
- (a) applies if a member (D) dies in service or dies as a pensioner member; and
 - (b) is payable for the first 3 months after D's death.
- (2) The short-term rate is calculated as follows—
- (a) if D dies in service, it is D's annual rate of pensionable earnings as at the date of D's death (disregarding any reduction by reason of sick leave, maternity leave, paternity leave, additional paternity leave or adoption leave);
 - (b) if D dies as a pensioner member, it is D's annual rate of retirement pension as at the date of D's death; or

- (c) if the rate calculated under sub-paragraph (a) or (b) is smaller than the annual rate calculated in accordance with regulation 141 (“long-term rate”), it is the same as the long-term rate.

(3) In this regulation, “annual rate of retirement pension” means annual rate of phased retirement earned pension or annual rate of full retirement earned pension.

Annual rate of surviving adult pension: long-term

141.—(1) The long-term rate of surviving adult pension applies—

- (a) if a member (D) dies out of service; or
- (b) otherwise, when the short-term rate ceases to be payable.

(2) The long-term rate of surviving adult pension is 37.5% of D’s full retirement earned pension as at the date of D’s death.

(3) If a pension-sharing order has taken effect, the long-term rate must be reduced by the same proportion by which D’s annual rate of retirement pension as at the date of D’s death was reduced or would have been reduced by that pension sharing order.

Enhancement of surviving adult pension

142.—(1) This regulation applies if a member (D) has not reached prospective normal pension age and—

- (a) dies in service; or
- (b) dies as a pensioner member after an ill-health pension and a total incapacity pension become payable to D.

(2) If this regulation applies, the long-term rate of surviving adult pension is 37.5% of the sum of the following amounts—

- (a) the amount of D’s accrued earned pension as at the date of D’s death; and
- (b) the amount found by multiplying half D’s prospective service (in years and fractions of a year) by 1/57th of D’s annual rate of pensionable earnings as at the date of D’s death.

(3) In this regulation, “D’s prospective service” means the period (in years and fractions of a year) beginning with the day after the date of D’s death and ending on the day on which D would have reached prospective normal pension age.

CHAPTER 5

Additional (surviving adult) pensions

Additional pensions for surviving adults

143.—(1) This regulation applies on the death of a member (D) if—

- (a) D is qualified or re-qualified for retirement benefits;
- (b) the scheme manager accepted an election for an additional (self only) pension and an additional (surviving adult) pension in respect of D;
- (c) an additional pension account was established in respect of D; and
- (d) that account specified an amount of additional pension immediately before D’s death.

(2) From the day after D’s death, an additional (surviving adult) pension becomes payable to D’s surviving adult.

(3) An additional (surviving adult) pension is payable for life.

Annual rate of additional (surviving adult) pension: short-term

- 144.**—(1) The short-term rate of additional (surviving adult) pension—
- (a) applies if a member (D) dies in service or dies as a pensioner member; and
 - (b) is payable for the first 3 months after D’s death.
- (2) The short-term rate is calculated as follows—
- (a) if D dies in service, it is the annual rate of additional (self only) pension payable as at D’s death; or
 - (b) if D dies as a pensioner member—
 - (i) where a phased retirement pension became payable before D’s death, it is the annual rate of additional (self only) pension which would have been payable as at D’s death if D had applied under regulation 91 to receive additional pension with the phased retirement earned pension; and
 - (ii) where a retirement pension other than a phased retirement pension became payable before D’s death, it is the annual rate of additional (self only) pension payable as at D’s death.
- (3) Part 2 of Schedule 2 makes further provision in relation to payment of additional pension in respect of a member who dies in service.

Annual rate of additional (surviving adult) pension: long-term

- 145.**—(1) The long-term rate of additional (surviving adult) pension applies—
- (a) if a member (D) dies out of service; or
 - (b) otherwise, when the short-term rate ceases to be payable.
- (2) The long-term rate of additional (surviving adult) pension is half the annual rate of additional (self only) pension payable as at the date of D’s death.
- (3) If a pension-sharing order has taken effect, the long-term rate must be reduced by the same proportion by which D’s annual rate of retirement pension as at the date of D’s death was reduced or would have been reduced by that pension sharing order.

CHAPTER 6

Child pensions

Entitlement to child pension

- 146.**—(1) This regulation applies on the death of a person (D) if D is qualified or re-qualified for retirement benefits.
- (2) A child pension becomes payable to an eligible child of D from the day after the date of D’s death.
- (3) If a child is an eligible child of more than 2 members who die—
- (a) the child is only entitled to payment of a child pension in respect of 2 of those members; and
 - (b) the 2 highest child pensions are payable.
- (4) A child pension is not payable while an eligible child—
- (a) is on a break from receiving full-time education; or
 - (b) attends a full-time vocational training course in respect of which the eligible child is paid at a rate which equals or exceeds the annual rate at which an official pension within the

meaning of section 5(1) of PIA 1971 would be payable if the pension had begun, and first qualified for increases under that Act, on 1st April 2014 and had then been payable at an annual rate of £3045.

(5) A child pension ceases to be payable when the person to whom it was payable ceases to be an eligible child.

(6) If D dies in service or dies as a pensioner member, paragraphs (4) and (5) do not apply while the short-term rate of child pension is payable.

(7) The annual rate of a child pension is to be calculated in accordance with regulations 147 and 148.

Annual rate of child pension: short-term

147.—(1) The short-term rate of child pension—

(a) applies if a member (D) dies in service or dies as a pensioner member; and

(b) is payable as follows—

(i) if a surviving adult pension does not become payable on D's death, for the first 6 months after D's death;

(ii) if a surviving adult pension becomes payable on D's death and continues to be payable for the first 3 months after D's death, for those 3 months; or

(iii) if a surviving adult pension becomes payable on D's death but ceases to be payable before the end of the first 3 months after D's death, for those 3 months plus the number of months for which the surviving adult pension was not payable under sub-paragraph (ii).

(2) The short term rate of child pension is calculated as follows—

(a) if D dies in service, it is D's annual rate of pensionable earnings as at the date of D's death (disregarding any reduction by reason of sick leave, maternity leave, paternity leave, additional paternity leave or adoption leave) divided by the number of D's eligible children to whom a pension is payable;

(b) if D dies as a pensioner member, it is D's annual rate of retirement pension payable as at the date of D's death (disregarding any reduction by virtue of a pension-sharing order) divided by the number of D's eligible children to whom a pension is payable; or

(c) if the rate calculated under sub-paragraph (a) or (b) is smaller than the annual rate calculated in accordance with regulation 148 ("long-term rate"), it is the same as the long-term rate.

(3) In this regulation, "annual rate of retirement pension" means annual rate of phased retirement earned pension or annual rate of full retirement earned pension.

Annual rate of child pension: long-term

148.—(1) The long-term rate of child pension applies—

(a) if a member (D) dies out of service; or

(b) otherwise, when the short-term rate ceases to be payable.

(2) The long-term rate of child pension is—

$$\frac{R \times \text{accrued earned pension}}{EC.}$$

(3) R is—

(a) 37.5%, if a surviving adult pension is payable;

- (b) 50%, if a surviving adult pension is not payable or has ceased to be payable.
- (4) In paragraph (2), “accrued earned pension” is D’s accrued earned pension as at the date of D’s death.
- (5) EC is—
 - (a) 2, if a child pension is payable to no more than 2 eligible children; or
 - (b) the number of eligible children, if a child pension is payable to more than 2 eligible children.

Enhancement of child pension

- 149.**—(1) This regulation applies if a member (D)—
- (a) dies in service; or
 - (b) dies as a pensioner member after an ill health pension and a total incapacity pension become payable to D.
- (2) If this regulation applies, the long-term rate of child pension is—

$$\frac{R \times S}{EC}$$

where—

R is—

- (i) 37.5%, if a surviving adult pension is payable;
- (ii) 50%, if a surviving adult pension is not payable or has ceased to be payable;

S is the sum of the following amounts—

- (i) the amount of D’s accrued earned pension as at the date of D’s death; and
- (ii) the amount found by multiplying half D’s prospective service (in years and fractions of a year) by 1/57th of D’s annual rate of pensionable earnings as at the date of D’s death;

EC is—

- (i) 2, if a child pension is payable to no more than 2 eligible children; or
- (ii) The number of eligible children, if a child pension is payable to more than 2 eligible children; and

“D’s prospective service” means the period (in years and fractions of a year) beginning with the day after the date of D’s death and ending on the day on which D would have reached prospective normal pension age.

PART 7

Benefits for pension credit members

CHAPTER 1

General

Interpretation of Part

150. In this Part—

“pension credit” means a credit under section 29(1)(b) of WRPA 1999 as against the scheme manager as the person responsible for this scheme;

“pension credit member” means a person entitled to a pension credit;

“pension credit retirement pension” means a pension payable under regulation 152(1);

“pension debit member” means, in relation to a pension credit member, the person whose rights under these Regulations become subject to a debt under section 29(1)(a) of WRPA 1999 when the pension credit member becomes entitled to a pension credit.

CHAPTER 2

Pension credit retirement pension

Entitlement day for pension credit retirement pension

151.—(1) The entitlement day for a person’s (P’s) pension credit retirement pension is—

- (a) the day on which P reaches normal pension age; or
 - (b) if P has reached 55 but has not reached normal pension age, a day specified in P’s application under regulation 159 for payment of the pension which is at least 6 weeks after the day on which the application is made.
- (2) The entitlement day must not be before the transfer day.

Entitlement to pension credit retirement pension

152.—(1) A pension credit member (P) is entitled to payment of a pension credit retirement pension from the entitlement day if P has applied under regulation 159 for payment of the pension.

- (2) If P is entitled to 2 or more pension credits—
- (a) benefits are payable to P under this scheme as if P were 2 or more members, each being entitled to one of the pension credits; and
 - (b) the amounts payable are determined accordingly.
- (3) A pension credit retirement pension is payable for life.

Annual rate of pension credit retirement pension

153. The annual rate of a pension credit retirement pension is found by—

- (a) taking the amount of credited pension specified in the pension credit member’s account;
- (b) applying the actuarial adjustment (if any) specified in the account in relation to that amount; and
- (c) subtracting the commutation amount (if any) specified in that account in relation to that amount.

CHAPTER 3

Death grant

Meaning of death grant beneficiary

154.—(1) A person (P) is a “death grant beneficiary” of a pension credit member if—

- (a) the member has nominated P to receive a death grant or a share of a death grant on the member’s death; and
 - (b) at the date of the member’s death, the nomination has effect.
- (2) A member may nominate P by giving written notice to the scheme manager.
- (3) The nomination ceases to have effect if—

- (a) the member revokes the nomination by giving written notice to the scheme manager;
 - (b) the member subsequently nominates a different person in place of P; or
 - (c) P dies.
- (4) If a member nominates more than one death grant beneficiary, the notice must state—
- (a) the share of the death grant to be paid to each beneficiary; and
 - (b) whether, if a beneficiary dies before the member, the beneficiary's share must be paid—
 - (i) to the surviving beneficiaries in accordance with paragraph (5); or
 - (ii) to the member's executors as part of the member's estate.
- (5) If a beneficiary's share is to be paid to the surviving beneficiaries, it is to be paid to them in shares such that the proportion which each surviving beneficiary's share bears to each of the other surviving beneficiaries' shares is the same as it was in the nomination.
- (6) A death grant beneficiary must be an individual.

Death grant: death of pension credit member before pension becomes payable

- 155.**—(1) A death grant is payable under this regulation on the death of a pension credit member (D) who dies before a pension credit retirement pension becomes payable to D under regulation 152.
- (2) The amount of the death grant is found by—
- (a) taking the amount of credited pension which would have become payable to D at the date of D's death if D had reached normal pension age; and
 - (b) multiplying that amount by 2.25.

Death grant: death of pension credit member after benefits payable

- 156.**—(1) A death grant is payable under this regulation on the death of a pension credit member (D) if—
- (a) a pension credit retirement pension became payable before D's death; and
 - (b) AR is greater than AP.
- (2) The amount of the death grant is AR-AP.
- (3) In this regulation—
- “AR” is 5 times the annual rate of the pension credit retirement pension payable as at the date of D's death;
- “AP” is the total amount of that pension payable up until D's death.

Payment of death grant

- 157.** On the death of a pension credit member, the death grant must be paid—
- (a) to the death grant beneficiary;
 - (b) if there is more than one death grant beneficiary, to those beneficiaries in the shares determined in accordance with regulation 154(4) and (5); or
 - (c) if there is no death grant beneficiary, to—
 - (i) the member's surviving spouse or surviving civil partner; or
 - (ii) if there is no such person, to the member's executors as part of the member's estate.

PART 8

(2) P must satisfy a written request from the scheme manager to provide any information specified in the request.

(3) The information must be information—

- (b) which P can reasonably be expected to obtain.

CHAPTER 2

Payment of pensions

Payment of pension

160.—(1) This regulation applies to the payment of a pension.

(2) A pension is normally to be paid monthly, but—

- (a) may, on the application of the person entitled to it, be paid quarterly; or
- (b) may be paid in such instalments and at such intervals as the scheme manager may think appropriate.

(3) Where payment of any such sum is due in respect of a period which is less than the interval at which it is payable—

- (a) the amount payable in respect of each complete month of the period shall be 1/12th of the annual rate of the sum; and
- (b) the amount payable in respect of a period of less than 1 complete month shall be—

$$\frac{A}{12} \times \frac{B}{C}$$

(4) In paragraph (3)(b)—

- (a) A is the annual rate of the pension;
- (b) B is the number of days in respect of which the benefit is payable; and
- (c) C is the total number of days in the month in which the days in B fall.

CHAPTER 3

Payment of lump sums

Member declaration

161.—(1) The scheme manager may not pay a member a lump sum under this Chapter unless the member declares in writing that, on payment of the lump sum, paragraph 3A of Schedule 29 to FA 2004(24) would not apply.

- (2) The declaration must be—
- (a) signed by the member;
 - (b) in a form specified by the scheme manager; and
 - (c) provided by a date determined by the scheme manager.

Commutation of part of pension

162.—(1) The following members may apply to the scheme manager to receive a lump sum in place of part of a pension—

- (a) a member who is entitled to payment of a retirement pension;
 - (b) a pension credit member who is entitled to payment of a pension credit retirement pension.
- (2) Paragraph (1)(b) only applies if—
- (a) the member's pension credit is derived from rights attributable to the pensionable service of a pension debit member; and
 - (b) a retirement pension does not become payable to the pension debit member before the transfer day in respect of that pensionable service.
- (3) An application under this regulation must—
- (a) be in writing;
 - (b) be made when the member applies under regulation 159 for payment of the pension; and
 - (c) specify the amount of the lump sum which the member wishes to receive.

Amount of lump sum payable under regulation 162

163. The amount of a lump sum payable under regulation 162 must—

- (a) be a multiple of £12; and
- (b) not exceed P's permitted maximum.

Commutation amount for lump sum payable under regulation 162

164.—(1) For the purpose of calculating the annual rate of pension payable to a member (P) who receives a lump sum under regulation 162, the commutation amount is 1/12th of the amount of the lump sum.

(2) If a retirement pension commuted under regulation 165 ceases to be payable under regulation 94 or 111, the commutation amount for any retirement pension that subsequently becomes payable to P is an amount determined by the scheme manager after consulting the scheme actuary.

(24) Paragraph 3A of Schedule 29 was inserted by section 159 of the Finance Act 2006 (c.25).

Commutation of whole pension (serious ill-health)

165.—(1) This regulation applies to a member (P) who, on the entitlement day for a pension, has a life expectancy of less than a year.

- (2) P may apply to the scheme manager to receive a lump sum instead of the pension.
- (3) The application must—
 - (a) be in writing;
 - (b) be made when P applies under regulation 159 for payment of the pension; and
 - (c) be accompanied by all the medical evidence necessary for the scheme manager to determine that P is entitled to payment of the lump sum.
- (4) If P is eligible to apply under regulation 162 to receive a lump sum under that regulation—
 - (a) the largest permissible lump sum is to be paid under that regulation; and
 - (b) the commutation amount under that regulation is to be deducted when calculating the annual rate under regulation 166.
- (5) In this regulation, “pension” means—
 - (a) an age retirement pension and any phased retirement pension payable with it;
 - (b) an ill-health pension and a total incapacity pension or phased retirement pension payable with it; or
 - (c) a pension credit retirement pension.

Amount of lump sum payable under regulation 165 instead of retirement pension

166.—(1) This regulation applies to a member (P) who applies under regulation 165 to receive a lump sum instead of a retirement pension.

- (2) The amount of the lump sum payable to P is the total of—
 - (a) for an age retirement pension, ill health pension or total incapacity pension, a sum equal to 5 x the annual rate of the retirement pension; and
 - (b) for a phased retirement pension that is already in payment, a sum equal to— $(A-B) \times$ the annual rate of the phased retirement pension
where—
A is 5, and
B is the period (in years and fractions of a year) from the date on which the phased retirement pension was first paid until the date of the application⁽²⁵⁾.

Amount of lump sum payable under regulation 165 instead of a pension credit retirement pension

167.—(1) This regulation applies to a member (P) who applies under regulation 165 to receive a lump sum instead of a pension credit retirement pension.

- (2) The amount of the lump sum payable to P is an amount equal to 5 times the annual rate of the pension credit retirement pension.

⁽²⁵⁾ Note: if this period is 5 years or more, no lump sum is payable in respect of the phased retirement pension.

Commutation: small pensions

168.—(1) If paragraph (2) applies, the scheme manager may, on the application of a member (P), commute a retirement pension by paying a lump sum to P.

(2) This paragraph applies if—

- (a) the lump sum is a trivial commutation lump sum as defined in paragraphs 7 and 7A of Schedule 29 to FA 2004 or falls within regulation 11 or 12 of the Registered Pension Schemes (Authorised Payments) Regulations 2009⁽²⁶⁾;
- (b) the application under paragraph (1) is made when P applies under regulation 159 for payment of the retirement pension;
- (c) in the 3 years ending with the date of the application, a transfer value payment has not been made in respect of P;
- (d) a transfer value payment or cash transfer sum has not been accepted under Part 10 in respect of P's rights accrued under a personal pension scheme; and
- (e) in the 5 years ending with the date of the application, a transfer value payment or cash transfer sum has not been accepted under Part 10 in respect of rights accrued under another occupational pension scheme.

(3) If a lump sum is paid under paragraph (1), benefits are not payable under Part 6 on P's death.

(4) The scheme manager may, on the application of a pension credit member (P), commute a pension credit retirement pension by paying a lump sum to P if—

- (a) the lump sum is a trivial commutation lump sum as defined in paragraph 7 of Schedule 29 to FA 2004 or falls within regulation 11 or 12 of the Registered Pension Schemes (Authorised Payments) Regulations 2009;
- (b) the application is made when P applies under regulation 159 for payment of the pension; and
- (c) in the 3 years ending with the date of the application, a transfer value payment has not been made in respect of P.

(5) The scheme manager may, on the application of a beneficiary to whom a pension is payable under Part 6, commute that pension by paying a lump sum to the beneficiary if—

- (a) the application is made when the beneficiary applies under regulation 159 for payment of the pension; and
- (b) the lump sum is a trivial commutation lump sum death benefit as defined in paragraph 20 of Schedule 29 to FA 2004.

(6) A lump sum payable under this regulation is to be determined by the scheme manager after taking advice from the scheme actuary.

CHAPTER 4

Continuing entitlement to benefit

Evidence of continuing entitlement to benefit

169.—(1) Where a benefit is being paid to a person (P), the scheme manager may at any time require that evidence be provided, by such date as the scheme manager may specify, to establish—

- (a) the identity of P; and
- (b) P's continuing entitlement to the benefit.

(2) If the evidence is not provided by the date specified, the scheme manager may withhold the whole or any part of the benefit.

(3) If a benefit ceases to be payable because P ceases to meet the incapacity condition or ceases to meet the total incapacity condition, the power in paragraph (1)(b) may be exercised so as to require P to provide evidence that there has been no such cessation.

Cessation of benefits where no entitlement

170.—(1) This regulation applies if after paying a benefit the scheme manager determines that there was no entitlement or there is no longer an entitlement to the benefit.

(2) The scheme manager may—

- (a) cease to pay the benefit;
- (b) withhold the whole or any part of the benefit;
- (c) recover any payment made if there was no entitlement to the benefit.

CHAPTER 5

Miscellaneous

Recovery of overpayment of benefits

171.—(1) This regulation applies in respect of a financial year for which a decrease in prices is specified in the Treasury order.

(2) The scheme manager may recover any overpayment of benefits that occurs as a result of the application of the leaver index adjustment for that year.

Interest on late payment of benefits

172.—(1) This regulation applies to a benefit except—

- (a) a phased retirement pension or a lump sum payable under regulation 162 in place of part of that pension; or
- (b) a total incapacity pension payable between the date on which the person to whom it is paid first engages in any other form of work as mentioned in regulation 115(2)(c) and the date on which the scheme manager is satisfied that the person continues to meet the total incapacity condition despite engaging in such work.

(2) Except as provided in paragraphs (8) and (9), where a benefit to which this regulation applies is not paid within one month after the due date, the scheme manager must pay interest on the amount unpaid at the Bank of England base rate compounded with 3-monthly rests from the due date to the date of payment.

(3) Where the benefit is a death grant, the due date is the day after the date on which the scheme manager became satisfied that payment may be made.

(4) Where the benefit is a lump sum under regulation 162, 165 or 168 or a grant other than a death grant, the due date is the day on which the benefit is payable.

(5) Where the benefit is a pension or annuity, the due date is the last day of the month in which entitlement to the benefit took effect.

(6) In determining the due date in accordance with paragraphs (4) and (5), no account is to be taken of the requirement to make an application for the benefit under regulation 159.

(7) In this regulation “Bank of England base rate” means—

- (a) the rate announced from time to time by the Monetary Policy Committee of the Bank of England as the official dealing rate, being the rate at which the Bank is willing to enter into transactions for providing short-term liquidity in the money markets; or
- (b) where an order under section 19 of the Bank of England Act 1998⁽²⁷⁾ is in force, any equivalent rate determined by the Treasury under that section.

(8) Where a payment to the scheme manager is received after the benefit to which it relates becomes payable, the scheme manager may determine that this regulation does not apply to the benefit until the payment is received.

(9) If paragraph (10) applies, the scheme manager may determine that this regulation does not apply to any benefit, either in respect of the whole period or any part of the period.

(10) This paragraph applies if—

- (a) a benefit is payable between the date specified under regulation 169(1) and the date on which the evidence required under that regulation is received by the scheme manager;
- (b) that evidence was not provided by the date specified but was provided later; and
- (c) it does not appear to the scheme manager that the delay in providing the evidence was due to circumstances outside the control of the person to whom the benefit is payable.

Payment of benefits in certain cases

173.—(1) Where a person (P) to whom a benefit is payable has not reached the age of 16 or is incapable by reason of infirmity of mind or body of managing P's affairs, the scheme manager may—

- (a) pay the benefit to any person having the care of P; or
- (b) apply it as the scheme manager thinks fit for the benefit of P or P's dependants.

(2) Where a benefit is payable to a widow and there is more than one widow, the benefit must be paid to the widows in equal shares.

(3) Where on the death of a person (D) the total of any sums due to D and any sums payable to D's executors under these Regulations does not exceed the amount specified in any order made under section 6 of the Administration of Estates (Small Payments) Act 1965⁽²⁸⁾ which applies to D's death, the scheme manager may, without requiring the production of confirmation or other proof of title, pay the amount due—

- (a) to D's executors; or
- (b) to the person, or to or among any one or more of any persons, appearing to the scheme manager to be beneficially entitled to D's estate.

Benefits not assignable

174.—(1) Any assignation of or charge on, or agreement to assign or charge, any benefit under these Regulations is void.

(2) On the sequestration of the estate of a person entitled to any such benefit or on the bankruptcy of such a person, no part of the benefit passes to any trustee or other person acting on behalf of the creditors, except as provided in paragraph (3).

(3) Nothing in paragraph (2) affects the powers of the Court under section 32(2) and (4) of the Bankruptcy (Scotland) Act 1985⁽²⁹⁾ or under section 310 of the Insolvency Act 1986⁽³⁰⁾.

⁽²⁷⁾ 1998 c.11.

⁽²⁸⁾ 1965 c.32; the amount currently specified in S.I. 1984/539 is £5,000.

⁽²⁹⁾ 1985 c.66.

⁽³⁰⁾ 1986 c.45.

Forfeiture of benefits

175.—(1) This regulation applies to a benefit payable to a person who is convicted of—

- (a) an offence of treason, or
- (b) one offence or more under the Official Secrets Acts 1911 to 1989⁽³¹⁾ for which the person has been sentenced on the same occasion to a term of imprisonment of, or to 2 or more consecutive terms amounting in the aggregate to, at least 10 years,

where the offence was committed before the benefit became payable.

(2) This regulation also applies to retirement benefits or a pension credit retirement pension payable to a person convicted of an offence, committed before the benefit became payable, in connection with service as a public servant certified by the scheme manager to have been gravely injurious to the interests of the State or to be liable to lead to serious loss of confidence in the public service.

(3) This regulation also applies to a benefit payable on the death of a person (D) to any person convicted of the murder of D, the culpable homicide of D or any other offence of which the unlawful killing of D is an element.

(4) The scheme manager may defer or suspend payment of a benefit to which this regulation applies for so long, or reduce its amount or rate by so much and for so long, as the scheme manager may determine.

Reduction of benefits: annual allowances and lifetime allowance charge

176.—(1) This regulation applies to the situations set out in paragraphs (2) and (3) and in this regulation “the charge” refers to either of the charges set out in those paragraphs.

(2) The lifetime allowance charge under section 214 of FA 2004 arises because a benefit becomes payable to a person and the person and the scheme manager are jointly and severally liable to the charge.

(3) The annual allowance charge under section 227 of FA 2004 arises in respect of a person who serves a notice under section 238A of that Act.

(4) The scheme manager must pay the charge.

(5) The amount of the benefit must be reduced to reflect the amount of the charge in such manner as the scheme manager is to determine, after taking advice from the scheme actuary.

General prohibition on unauthorised payments

177. Nothing in these Regulations requires or authorises the making of any payment which, if made, would be an unauthorised payment for the purpose of Part 4 of FA 2004 (see section 160(5) of that Act) unless the scheme manager determines otherwise (in the case of a particular payment).

(31) 1911 c.28, 1920 c.75, 1939 c.121, 1989 c.6.

PART 9

Contributions

CHAPTER 1

Interpretation of Part

Pensionable earnings for a pay period

178.—(1) In this Part, “pensionable earnings”, in relation to a pay period, has the following meaning.

(2) For any pay period falling within a period of sick leave in which the pensionable earnings of a member (P) are reduced, P’s pensionable earnings are the reduced amount of pensionable earnings paid to P.

(3) For a pay period falling within a period in which an election under regulation 25 has effect or is taken to have effect, P’s pensionable earnings are an amount equal to P’s notional salary.

(4) For a pay period falling within a period in which P is on maternity leave, adoption leave or paternity leave, P’s pensionable earnings include any statutory pay paid to P.

CHAPTER 2

Employees’ contributions

Contributions for standard earned pension

179.—(1) In each pay period an active member (P) must pay contributions for standard earned pension (“standard contributions”) at a rate determined in accordance with regulations (“standard contributions rate”).

(2) The standard contributions rate is a percentage of P’s pensionable earnings for a pay period.

Contributions under Schedule 2

180. Schedule 2 has effect for the purpose of enabling—

- (a) payment of additional pension contributions by lump sum; and
- (b) monthly payments of—
 - (i) faster accrual contributions;
 - (ii) additional pension contributions; and
 - (iii) buy-out contributions.

Contributions payable during a period of permanent service in the armed forces

181.—(1) This regulation applies if—

- (a) an election under regulation 25 has effect in respect of a period of permanent service; and
- (b) the member (P) pays contributions by monthly payments.

(2) Unless paragraph (3) applies, the amount of P’s contributions in respect of any pay period that falls within the period of permanent service is the total of—

- (a) the amount of standard contributions payable in respect of P’s notional salary; and
- (b) any contributions under Schedule 2 payable monthly.

(3) This paragraph applies if during the period of permanent service P's permanent service pay, when aggregated with any payments under Part 5 of the Reserve and Auxiliary Forces (Protection of Civil Interests) Act 1951⁽³²⁾ ("aggregated pay"), is less than the amount of P's notional salary for that period.

(4) If paragraph (3) applies—

- (a) the amount of P's aggregated pay in a pay period is taken to be the amount of P's pensionable earnings for that period; and
- (b) P's contributions in that period are payable at the standard contributions rate.

CHAPTER 3

Repayment of contributions after short service

Meaning of "entitlement day" (repayment of balance of contributions)

182. The entitlement day for repayment of the balance of contributions is one month after the last day of pensionable service.

Entitlement to repayment of balance of contributions

183.—(1) A person (P) is entitled to a repayment of the balance of contributions calculated in accordance with regulation 185 on the entitlement day if—

- (a) P has left all pensionable service and does not re-enter pensionable service before the entitlement day;
 - (b) P has applied under regulation 184 for the repayment; and
 - (c) paragraph (2) does not apply.
- (2) This paragraph applies if—
- (a) P is qualified for retirement benefits;
 - (b) a transfer value payment has been made in respect of P's pensionable service; or
 - (c) P is in a period of post-benefit service immediately before the last day of pensionable service⁽³³⁾.

(3) For the purpose of this regulation, P is in pensionable service while P is absent on maternity leave, paternity leave, additional paternity leave, parental leave or adoption leave if P is entitled to return from leave by virtue of Part 8 of the Employment Rights Act 1996⁽³⁴⁾.

- (4) If a repayment is made, P's rights under this scheme are extinguished.
- (5) This regulation is subject to regulation 177.

Application for repayment of balance of contributions

184.—(1) A person (P) must apply in writing to the scheme manager for a repayment of the balance of contributions.

(2) P must satisfy a written request from the scheme manager to provide any information in the request.

(3) The information must be information—

⁽³²⁾ 1951 c.65.

⁽³³⁾ See regulation 121 for P's entitlement to a short service annuity if P is not re-qualified for retirement benefits in respect of a period of post-benefit service.

⁽³⁴⁾ 1996 c.18; Part 8 was amended by Schedule 4 to the Employment Relations Act 1999 (c.26) and sections 1 and 3 of the Employment Act 2002 (c.22).

- (a) in P's possession; or
- (b) which P can reasonably be expected to obtain.

Calculation of balance of contributions

185.—(1) The balance of contributions referred to in regulation 183(1) is—

$$(A - B) - C$$

where—

- A is the total of the amounts specified in paragraph (2);
- B is the total of the deductions specified in paragraph (3); and
- C is the amount of tax chargeable on (A - B) under section 205 of FA 2004.

(2) The amounts are—

- (a) all standard contributions and faster accrual contributions paid up to the date of receipt of the application for repayment, except any paid in respect of a period of pensionable service for which a short-service serious ill-health grant has been paid; and
- (b) interest on those contributions from the first day of the financial year following that in which they were paid to the date of payment at 3% per year, compounded with yearly rests.

(3) The deductions are—

- (a) the amount of any previous repayment under regulation 183; and
- (b) if the scheme manager has paid a contributions equivalent premium, the amount recoverable by the scheme manager under sections 61 to 63 of PSA 1993.

CHAPTER 4

Employers' contributions

Employers' contributions

186. The employer of a person in pensionable service (P) is to pay contributions at a percentage rate of P's pensionable earnings determined in accordance with regulations.

CHAPTER 5

Deduction and payment of contributions

Deduction of contributions from pensionable earnings

187.—(1) This regulation applies to any person (P) who is in pensionable service.

(2) In each pay period, P's employer must deduct the following contributions from P's pensionable earnings—

- (a) P's standard contributions;
- (b) any faster accrual contributions relating to that employment;
- (c) any additional pension contributions payable monthly (if P has nominated the employer to deduct those contributions);
- (d) any buy-out contributions (if P has nominated the employer to deduct those contributions).

(3) If P's employer does not deduct any contributions in the appropriate pay period, P's employer may deduct those contributions in any subsequent pay period (but this paragraph does not affect regulation 190(2)).

- (4) If P is in pensionable service in more than one employment—
- (a) any additional pension contributions or buy-out contributions must be deducted by the employer nominated by P; and
 - (b) if in any pay period the contributions are more than the pensionable earnings paid to P by that employer, any remaining contributions must be deducted by the other employer (or, if there is more than one other employer, by whichever other employer is nominated by P).
