(aa) a UK National List, or

(bb) an equivalent list in a European Single Market State, before the end of the period of two years beginning with the day after the day on which exit day falls; or

(ii) for seed of a component of a hybrid variety of oilseed rape for which an application has been made to have that hybrid variety accepted on to—

(aa) a UK National List, or

(bb) an equivalent list in a European Single Market State, before the end of the period of two years beginning with the day after the day on which exit day falls.”

(19) In regulation 21(10) (labelling of packages of seed in relation to breeder’s confirmation), for “one of the official languages of the European Union” substitute “English but may also be given in other languages”.

(20) Regulation 22 (comparative tests and trials) is omitted.

(21) After regulation 25 (written and electronic communication) insert—

“Certification in a Crown Dependency

25A. Any seed certified and labelled in a Crown Dependency under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations may be marketed in Scotland.

Transitional provision for official labels on exit day

25B. A label pre-printed before exit day which at the date on which it was printed was an official label for the purposes of these Regulations is to be treated as an official label for a package of Basic Seed, Seed of a Certified Generation, Commercial Seed, seed of a Conservation Variety or a varietal association of seed, for the purposes of any use of that label before the end of the period of two years beginning with the day after the day on which exit day falls.”.

(22) In schedule 2 (official certificates and breeder’s confirmations), in Part I (official certificates)—

- (a) in paragraph (1) (applications for seed harvested in the United Kingdom), omit “but not made in pursuance of Article 19 (certification of seed from other EEA States or equivalent third countries) of the Oil and Fibre Plant Seed Directive”,
- (b) for paragraph 4 (applications for seed harvested in an EEA State or third country) substitute—

“Applications for seed harvested outside the United Kingdom

4.—(1) Notwithstanding paragraphs 2 and 3, and subject to sub-paragraphs (2) and (3), on receipt of an application made in accordance with regulation 14(1) for the issue of an official certificate in respect of a seed lot as Pre basic Seed, Basic Seed, Seed of a Certified Generation or Commercial Seed, the Scottish Ministers may issue an official certificate in respect of the seed lot containing the particulars specified in paragraph 1 of Schedule 3.

(2) An official certificate may only be issued under sub-paragraph (1) if—

- (a) the seed has been—
 - (i) produced directly from—
 - (aa) fully certified Basic Seed or Certified Seed of the First Generation, or
 - (bb) seed certified in the United Kingdom, a Crown Dependency (provided the seed has been produced under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations), a European Single Market State or a country granted equivalence, which is permitted to be sold as Basic Seed or Certified Seed of the First Generation in accordance with these Regulations,
 - (ii) harvested outside the United Kingdom, and
 - (iii) shown on official examination or, in the case of seed which has been harvested in a country granted equivalence, a field examination, to have satisfied the conditions specified in Part II of Schedule 4 for the relevant category of seed;
- (b) the seed has been—
 - (i) produced directly from the crossing of fully certified Basic Seed with seed certified in the United Kingdom, a Crown Dependency (provided the seed has been produced under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations), a European Single Market State or a country granted equivalence, which is permitted to be sold as Basic Seed in accordance with these Regulations,

- (ii) harvested outside the United Kingdom, and
 - (iii) shown on official examination or, in the case of seed which has been harvested in a country granted equivalence, a field examination, to have satisfied the conditions specified in Part II of Schedule 4 for the relevant category of seed; or
- (c) the seed—
- (i) is to be certified by the Scottish Ministers as Basic Seed;
 - (ii) has been produced directly from—
 - (aa) fully certified Pre-basic Seed, or
 - (bb) seed certified in the United Kingdom, a Crown Dependency (provided the seed has been produced under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations), a European Single Market State or a country granted equivalence, which is permitted to be sold as Pre-basic Seed in accordance with these Regulations,
 - (iii) has been harvested outside the United Kingdom, and
 - (iv) has been shown on official examination or, in the case of seed which has been harvested in a country granted equivalence, a field examination, to have satisfied the conditions specified in Part II of Schedule 4 for the relevant category of seed.
- (3) In the case of seed which has been harvested in a European Single Market State, an official certificate may only be issued under sub-paragraph (1)—
- (a) before the end of the period of two years beginning with the day after the day on which exit day falls, and
 - (b) provided that the seed—
 - (i) has been harvested from a crop which has been found by official field inspection to satisfy the crop conditions specified in Annex I (crop standards) of the Oil and Fibre Plant Seed Directive for the relevant category of seed,
 - (ii) has been packed in a sealed package in accordance with the requirements of Article 11(1) (sealing) of the Oil and Fibre Plant Seed Directive and has been labelled in accordance with the requirements of the second indented sub-paragraph of the first paragraph of Article 19(2) (labelling requirements for certification of seed from other EEA States or equivalent third countries) of the Oil and Fibre Plant Seed Directive, and
 - (iii) is accompanied by an Annex V(C) document relating to the seed issued by the relevant competent seed certification authority.
- (4) In this paragraph, “Annex V(C) document” means a document issued by the relevant competent seed certification authority of the type specified in the following provisions of the Oil and Fibre Plant Seed Directive—
- (a) the second indented sub-paragraph of the first paragraph of Article 19(2), and
 - (b) Part C of Annex V.”.

(23) In schedule 4 (requirements for Basic Seed, Certified Seed, Certified seed of the First Generation, Certified Seed of the Second Generation, Certified Seed of the Third Generation and Commercial Seed), in paragraph 2 (varietal identity and varietal purity), for “, an equivalent list in another EEA State or the Common Catalogue” substitute “or before the end of the period of two years beginning with the day after the day on which exit day falls accepted on to an equivalent list in a European Single Market State or the Common Catalogue”.

- (24) In schedule 4A(a) (standards for certification of conservation varieties)—

falls, the appropriate particulars of the matters specified in Articles 4 (lower germination and early movement seed), 9(2) (re sealing), 10(1)(a) (labelling of packages), 11a (identification of genetically modified varieties) and 13(3) (labelling of packages of mixtures of seeds) and Annex IV (labels) of the Cereal Seed Directive, are printed or stamped indelibly on the package in a panel of at least the size and of the colour so specified; and”,

(ii) for sub-paragraph (c) substitute—

“(c) the requirements of paragraph 16 of Part VI of Schedule 6 are satisfied in the case of a package sealed—

(i) in another part of the United Kingdom; or

(ii) in a European Single Market State, before the end of the period of two years beginning with the day after the day on which exit day falls.”,

(e) in paragraph (14), for “one of the official languages of the European Union” substitute “English but may also be given in other languages”.

(17) In regulation 20 (breeder’s confirmations)—

(a) for paragraph (1)(c) substitute—

“(c) shall be made only—

(i) for seed of a variety for which an application has been made to have that variety accepted on to—

(aa) a UK National List, or

(bb) an equivalent list in a European Single Market State, before the end of the period of two years beginning with the day after the day on which exit day falls; or

(ii) for seed of a component of a hybrid variety for which an application has been made to have that hybrid variety accepted on to—

(aa) a UK National List, or

(bb) an equivalent list in a European Single Market State, before the end of the period of two years beginning with the day after the day on which exit day falls.”,

(b) in paragraphs (5) and (6), for “another EEA State” substitute “a European Single Market State”.

(18) In regulation 22(11) (labelling of packages of seed in relation to breeder’s confirmation), for “one of the official languages of the European Union” substitute “English but may also be given in other languages”.

(19) Regulation 23 (comparative tests and trials) is omitted.

(20) After regulation 26 (written and electronic communication) insert—

“Certification in a Crown Dependency

26A. Any seed certified and labelled in a Crown Dependency under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations may be marketed in Scotland.

Transitional provision for official labels on exit day

26B. A label pre-printed before exit day which at the date on which it was printed was an official label for the purposes of these Regulations is to be treated as an official label for a package of Basic Seed, Seed of a Certified Generation or seed of a Conservation Variety or, as the case may be, a small package of Pre basic Seed, Basic Seed or Seed of a Certified Generation for the purposes of any use of that label before the end of the period of two years beginning with the day after the day on which exit day falls.”.

(21) In schedule 2 (official certificates and breeder's confirmations), in Part I (official certificates)—

- (a) in paragraph 1 (applications for seed harvested in the United Kingdom), omit “but not made in pursuance of Article 15 (certification of seed from other EEA States or equivalent third countries) of the Cereal seed Directive”,
- (b) for paragraph 4 (applications for seed harvested in an EEA State or third country) substitute—

“Applications for seed harvested outside the United Kingdom

4.—(1) Notwithstanding paragraphs 2 and 3, and subject to sub-paragraphs (2) and (3), on receipt of an application made in accordance with regulation 14(1) for the issue of an official certificate in respect of a seed lot as Pre basic Seed, Basic Seed or Seed of a Certified Generation, the Scottish Ministers may issue an official certificate in respect of the seed lot containing the particulars specified in paragraph 1 of Schedule 3.

(2) An official certificate may only be issued under sub-paragraph (1) if—

- (a) the seed has been—
 - (i) produced directly from—
 - (aa) fully certified Basic Seed or Certified Seed of the First Generation, or
 - (bb) seed certified in the United Kingdom, a Crown Dependency (provided the seed has been produced under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations), a European Single Market State or a country granted equivalence, which is permitted to be sold as Basic Seed or Certified Seed of the First Generation in accordance with these Regulations,
 - (ii) harvested outside the United Kingdom, and
 - (iii) shown on official examination to have satisfied the conditions specified in Part II of Schedule 4 for the relevant category of seed;
- (b) the seed has been—
 - (i) produced directly from the crossing of fully certified Basic Seed with seed certified in the United Kingdom, a Crown Dependency (provided the seed has been produced under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations), a European Single Market State or a country granted equivalence, which is permitted to be sold as Basic Seed in accordance with these Regulations,
 - (ii) harvested outside the United Kingdom, and
 - (iii) shown on official examination to have satisfied the conditions specified in Part II of Schedule 4 for the relevant category of seed; or
- (c) the seed—
 - (i) is to be certified by the Scottish Ministers as Basic Seed;
 - (ii) has been produced directly from—
 - (aa) fully certified Pre-basic Seed, or
 - (bb) seed certified in the United Kingdom, a Crown Dependency (provided the seed has been produced under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations), a European Single Market State or a country granted equivalence, which is permitted to be sold as Pre-basic Seed in accordance with these Regulations,
 - (ii) has been harvested outside the United Kingdom, and
 - (iii) has been shown on official examination to have satisfied the conditions specified in Part II of Schedule 4 for the relevant category of seed.

(3) In the case of seed which has been harvested in a European Single Market State, an official certificate may only be issued under sub-paragraph (1)—

- (a) before the end of the period of two years beginning with the day after the day on which exit day falls, and
- (b) provided that—
 - (i) the seed has been harvested from a crop which has been found by official field inspection to satisfy the crop conditions specified in Annex I (crop standards) of the Cereal Seed Directive for the relevant category of seed,
 - (ii) the seed has been packed in a sealed package in accordance with the requirements of Article 9(1) (sealing) of the Cereal Seed Directive and has been labelled in accordance with the requirements of the first indented sub-paragraph of the first paragraph of Article 15(2) (labelling requirements for certification of seed from other EEA States or equivalent third countries) of the Cereal Seed Directive, and
 - (iii) the seed is accompanied by an Annex V(C) document relating to the seed issued by the relevant competent seed certification authority.

(4) In this paragraph, “Annex V(C) document” means a document issued by the relevant competent seed certification authority of the type specified in the following provisions of the Cereal Seed Directive—

- (a) the second indented sub-paragraph of the first paragraph of Article 15(2), and
- (b) Part C of Annex V.”,
- (c) in paragraph 7(d) (when applications may be refused), for “(or to an equivalent list in an EEA State)” substitute “(or to an equivalent list in a European Single Market State where the application was made before the end of the period of two years beginning with the day after the day on which exit day falls)”.

(22) In schedule 4 (requirements for Pre-basic Seed, Basic Seed, Certified Seed of the First Generation and Certified Seed of the Second Generation), in paragraph 2 (varietal identity and varietal purity), for “, an equivalent list in another EEA State or the Common Catalogue” substitute “or before the end of the period of two years beginning with the day after the day on which exit day falls accepted on to an equivalent list in a European Single Market State or the Common Catalogue”.

(23) In schedule 4A(a) (standards for certification of Conservation Varieties)—

- (a) in Part III (conditions relating to crops from which seed is obtained), in paragraph 1 (varietal identity and varietal purity), for “, an equivalent list in another EEA State or the Common Catalogue” substitute “or before the end of the period of two years beginning with the day after the day on which exit day falls accepted on to an equivalent list in a European Single Market State or the Common Catalogue”,
- (b) in Part IV (conditions relating to seed of a Conservation Variety), in paragraph 1 (standards of germination, analytical purity and content of seed of other plant species), omit “EC”.

(24) In schedule 6—

- (a) in paragraph 4(a)(i) (official label for a package of Pre-basic Seed), for “EEA State or their commonly used initials”, substitute “country or country initials”,
- (b) in paragraph 5(a) (official label for a package of Basic Seed or Seed of a Certified Generation)—
 - (i) in sub-paragraph (i), for “EC” substitute “UK”,
 - (ii) in sub-paragraph (ii), for “EEA State or their commonly used initials”, substitute “country or country initials”,

(a) Schedule 4A was inserted by S.S.I. 2009/223.

- (iii) in sub-paragraph (xi)(aa), after “UK National List or” insert “, at any time before the end of the period of two years beginning with the day after the day on which exit day falls,”,
- (c) in paragraph 6(a)(ii) (official label for a package of a mixture of seeds to which regulation 8 applies), for “EEA State or their commonly used initials”, substitute “country or country initials”,
- (d) in paragraph 6A(a)(ii) (official label for a package of test and trial seed)(a), for “EEA State or their distinguishing abbreviation”, substitute “country or country initials”,
- (e) in paragraph 6B(a)(i) (official label for a package of seed of a Conservation Variety)(b), for “EC” substitute “UK”,
- (f) in paragraph 7(a)(i) (label for a small package of Pre-basic Seed, Basic Seed or Seed of a Certified Generation), for “EC” substitute “UK”,
- (g) in paragraph 11 (information to be supplied in respect of seed imported from a country which is not an EEA State in a package exceeding 2 kilograms net weight)—
 - (i) in the heading, for “a country which is not an EEA State” substitute “outside the United Kingdom”,
 - (ii) the existing text becomes sub-paragraph (1),
 - (iii) in sub-paragraph (1), for “a country which is not an EEA State” substitute “outside the United Kingdom”,
 - (iv) after sub-paragraph (1) insert—

“(2) Sub-paragraph (1) does not apply to seed imported from a European Single Market State before the end of the period of two years beginning with the day after the day on which exit day falls.”,
- (h) in paragraph 16 (seed packages sealed in the United Kingdom but not in Scotland, or in an EEA State other than the United Kingdom)—
 - (i) in the heading, for “an EEA State other than the United Kingdom” substitute “a European Single Market State”,
 - (ii) for “EEA State” in the first place where it occurs substitute “European Single Market State as applied before the end of the period of two years beginning with the day after the day on which exit day falls”,
 - (iii) for “EEA State” in the second place where it occurs substitute “European Single Market State”.

The Fodder Plant Seed (Scotland) Regulations 2005

14.—(1) The Fodder Plant Seed (Scotland) Regulations 2005(c) are amended as follows.

(2) In regulation 2(1) (interpretation)—

- (a) omit the definition of “Annex V(C) document”,
- (b) in the definition of “blended seed lot”, omit “or Annex I (crop conditions) of the Fodder Plant Seed Directive”,
- (c) in the definition of “breeder”, in paragraph (a), after “UK National List or” insert “, at any time before the end of the period of two years beginning with the day after the day on which exit day falls,”,
- (d) in the definition of “bulked seed lot”, omit “or Annex I (crop conditions) of the Fodder Plant Seed Directive”,

(a) Paragraph 6A was inserted by S.S.I. 2007/224.

(b) Paragraph 6B was inserted by S.S.I. 2009/223.

(aa) a UK National List, or

- (bb) an equivalent list in a European Single Market State, before the end of the period of two years beginning with the day after the day on which exit day falls,
- (ii) for seed of a component of a hybrid variety for which an application has been made to have that hybrid variety accepted on to—
 - (aa) a UK National List, or
 - (bb) an equivalent list in a European Single Market State, before the end of the period of two years beginning with the day after the day on which exit day falls.”,
- (b) in paragraphs (5) and (6), for “another EEA State” substitute “a European Single Market State”.

(20) In regulation 22(11) (labelling of packages of seed in relation to breeder’s confirmation), for “one of the official languages of the European Union” substitute “English but may also be given in other languages”.

(21) Regulation 23 (comparative tests and trials) is omitted.

(22) After regulation 26 (written and electronic communication) insert—

“Certification in a Crown Dependency

26A. Any seed certified and labelled in a Crown Dependency under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations may be marketed in Scotland.

Transitional provision for official or producer’s labels on exit day

26B. A label pre-printed before exit day which at the date on which it was printed was an official label or a producer’s label for the purposes of these Regulations is to be treated as an official label or, as the case may be, a producer’s label for a package of Basic Seed, Seed of a Certified Generation, Commercial Seed, seed of a Conservation Variety, seed of a preservation mixture or, as the case may be, a small A package or a small B package of Pre-basic Seed, Basic Seed, Seed of a Certified Generation or Commercial Seed, for the purposes of any use of that label before the end of the period of two years beginning with the day after the day on which exit day falls.”.

(23) In schedule 2 (official certificates and breeder’s confirmations), in Part I (official certificates)—

- (a) in paragraph 1 (applications for seed harvested in the United Kingdom), omit “but not made in pursuance of Article 15 (certification of seed from other EEA States or equivalent third countries) of the Fodder Plant Seed Directive”,
- (b) for paragraph 4 (applications for seed harvested in an EEA State or third country) substitute—

“Applications for seed harvested outside the United Kingdom

4.—(1) Notwithstanding paragraphs 2 and 3, and subject to sub-paragraphs (2) and (3), on receipt of an application made in accordance with regulation 14(1) for the issue of an official certificate in respect of a seed lot as Pre basic Seed, Basic Seed, Seed of a Certified Generation or Commercial Seed, the Scottish Ministers may issue an official certificate in respect of the seed lot containing the particulars specified in paragraph 1 of Schedule 3.

(2) An official certificate may only be issued under sub-paragraph (1) if—

- (a) the seed has been—
 - (i) produced directly from—
 - (aa) fully certified Basic Seed or Certified Seed of the First Generation, or

- (bb) seed certified in the United Kingdom, a Crown Dependency (provided the seed has been produced under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations), a European Single Market State or a country granted equivalence, which is permitted to be sold as Basic Seed or Certified Seed of the First Generation in accordance with these Regulations,
 - (ii) harvested outside the United Kingdom, and
 - (iii) shown on official examination to have satisfied the conditions specified in Part II of Schedule 4 for the relevant category of seed;
 - (b) the seed has been—
 - (i) produced directly from the crossing of fully certified Basic Seed with seed certified in the United Kingdom, a Crown Dependency (provided the seed has been produced under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations), a European Single Market State or a country granted equivalence, which is permitted to be sold as Basic Seed in accordance with these Regulations,
 - (ii) harvested outside the United Kingdom, and
 - (iii) shown on official examination to have satisfied the conditions specified in Part II of Schedule 4 for the relevant category of seed; or
 - (c) the seed—
 - (i) is to be certified by the Scottish Ministers as Basic Seed,
 - (ii) has been produced directly from—
 - (aa) fully certified Pre-basic Seed, or
 - (bb) seed certified in the United Kingdom, a Crown Dependency (provided the seed has been produced under legislation recognised by the Scottish Ministers to have equivalent effect to these Regulations), a European Single Market State or a country granted equivalence, which is permitted to be sold as Pre-basic Seed in accordance with these Regulations,
 - (iii) has been harvested outside the United Kingdom, and
 - (iv) has been shown on official examination to have satisfied the conditions specified in Part II of Schedule 4 for the relevant category of seed.
- (3) In the case of seed which has been harvested in a European Single Market State, an official certificate may only be issued under sub-paragraph (1)—
- (a) before the end of the period of two years beginning with the day after the day on which exit day falls, and
 - (b) provided the seed—
 - (i) has been harvested from a crop which has been found by official field inspection to satisfy the crop conditions specified in Annex I (crop standards) of the Fodder Plant Seed Directive for the relevant category of seed,
 - (ii) has been packed in a sealed package in accordance with the requirements of Article 9(1) (sealing) of the Fodder Plant Seed Directive and has been labelled in accordance with the requirements of the second indented sub-paragraph of the first paragraph of Article 15(2) (labelling requirements for certification of seed from other EEA States or equivalent third countries) of the Fodder Plant Seed Directive, and
 - (iii) is accompanied by an Annex V(C) document relating to the seed issued by the relevant competent seed certification authority.

(4) In this paragraph, “Annex V(C) document” means a document issued by the relevant competent seed certification authority of the type specified in the following provisions of the Fodder Plant Seed Directive—

- (a) the second indented sub-paragraph of the first paragraph of Article 15(2), and
- (b) Part C of Annex V.”,

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are principally made in exercise of the powers conferred by paragraph 1(1) and (3) of schedule 2 of the European Union (Withdrawal) Act 2018 (c.16) in order to address failures of retained EU law to operate effectively and other deficiencies (in particular, those mentioned in section 8(2)(a), (c), (d) and (g) of that Act) arising from the withdrawal of the United Kingdom from the European Union.

Part 2 (regulations 2 to 8), made in exercise of powers under the European Communities Act 1972 (c.68), make amendments to secondary legislation concerning the marketing of agricultural seed and fruit and vegetative plant propagating material:

- To update references to a number of EU instruments referred to therein.
- To include references to EEA states and Switzerland.
- To make provision for the certification of seed intended for export and the labelling requirements in relation to imports and exports of seed.
- To make provision for the labelling of seed potatoes produced outside Scotland (regulation 7).
- To update a number of definitions.

Part 3 (regulations 9 to 18) makes amendments to secondary legislation concerning the marketing of agricultural seed and fruit and vegetative plant propagating material, consequential on the United Kingdom's withdrawal from the European Union.

A business and regulatory impact assessment has not been produced for this instrument as no, or no significant, impact upon business, charities or voluntary bodies is foreseen.
