CLIMATE CHANGE

The CRC Energy Efficiency Scheme Order 2010

*Made - - - - - ****

Coming into force in accordance with article 1

THE CRC ENERGY EFFICIENCY SCHEME ORDER 2010

PART 1

CHAPTER 1

1. Citation and commencement
2. The trading scheme: phases and application
3. Interpretation
4. Supplies and emissions
5. Registration and requirements of participants and others
6. Powers and duties of the administrator
7. Penalties, offences and appeals
8. Groups: liability to comply with this Order

CHAPTER 2

9. The administrator
10. Co-operation and provision of information

PART 2

CHAPTER 1

11. Applications, information and charges
12. Time for applications
13. Registration and certificates

CHAPTER 2

14. Government departments and the devolved administrations
15. Other public bodies
16. Public bodies: applications by groups
17. Public bodies: applications other than by groups
18. Determinations by the administrator

CHAPTER 3

19. Universities and colleges: England
20. Qualifying electricity
21. Universities and colleges: groups
22. Applications

CHAPTER 4

23. Groups of undertakings
24. Undertakings: applications by groups
25. Undertakings: applications by significant group undertakings
26. Undertakings: applications other than by groups
27. Changes to undertakings and groups
28. Determinations by the administrator

PART 3

29. CCA emissions and target periods
30. Total emissions
31. Electricity generating credit
32. Member CCA exemptions
33. General CCA exemptions
34. Group CCA exemptions
35. Requirements for exemptions to apply: general
36. Requirements for exemption to apply: exception
37. Effect of exemptions and records
38. Loss of exemptions and further exemptions

PART 4

39. Provision of footprint reports
40. Member CCA exemptions
41. Footprint emissions
42. Requirement for residual measurement lists
43. Residual percentage
44. Content of residual measurement lists
45. Compilation of residual measurement lists
46. Changes affecting participants

PART 5

47. Provision of annual reports
48. Member CCA exemptions
49. Annual report
50. CRC emissions
51. Changes affecting participants

PART 6

CRC

52. Validity of allowances
53. Allowances and CRC emissions
54. Cancellation of allowances and surplus surrendered allowances
55. Allowances and trading
56. Community tradeable emissions allowances

PART 7

57. General
58. Records: general
59. Records: residual measurements lists and public disclosure
60. Audit of records

PART 8

61. Supplies of electricity, gas and fuel under Part 8
62. Information on half hourly meters and amount of supplies
63. Information on electricity and gas supplied from authorised suppliers holding a licence
64. Information from electricity suppliers
65. Assistance by occupiers
66. Information and assistance by franchisees
67. Information and assistance: public bodies

PART 9

68. The Registry
69. Security of the Registry
70. Security and identities
71. Preventing or suspending use of the Registry
72. Cancellation of registrations of participants
73. Account holders
74. Determinations

PART 10

75. Achievement tables
76. No information on relative change and early action
77. Performance tables
78. Publication
79. Verification

80. Further publication

PART 11

81. Charges

82. Chargeable activities

83. Amount of charges

84. Revised charges

85. Collection and remittance of charges

PART 12

86. Compliance notices

87. Inspections

PART 13

88. Powers of the administrator in respect of enforcement

89. Authorised persons

90. Notices to provide information: compliance with articles 58 and 59

91. Enforcement notices

PART 14

92. Civil penalties

93. Recovery of civil penalties

94. Waiver and modification of civil penalties

95. Failures in respect of registration

96. Failures in respect of footprint reports

97. Failures in respect of annual reports

98. Failures to provide information or notifications

99. Inaccurate footprint reports and annual reports

100. Failures to surrender allowances contrary to Part 6

101. Later discovered failures to surrender allowances contrary to Part 6

102. Failures to maintain records

103. Failures to provide information on half hourly meters under article 62

104. Failures to provide information under article 64

105. Blocking and publication

PART 15

106. Offences

107. Penalties

108. Bodies corporate

109. Scottish partnerships

110. The Crown

PART 16

111. Appeals

112. Service of documents and periods to comply

113. National security

Signature

SCHEDULE 1 — Supplies and emissions

SECTION 1

Electricity, gas and fuels: general

1. Electricity
2. Gas
3. Fuels
4. Fuels table
5. Measurement units

SECTION 2

Electricity and gas: self-supply

6. Self-supply of electricity by generators, transmitters, distributors and authorised suppliers
7. Self-supply by authorised gas suppliers

SECTION 3

Franchise agreements

8. Supplies under franchise agreements
9. Franchise agreements
10. Franchise agreements not existing
11. Supplies to franchisees regarded as supplies to franchisors

SECTION 4

Deductions from supplies

12. Deductions from supplies
13. Unconsumed supply
14. Occupation of premises
15. Consumption outside the United Kingdom
16. Domestic accommodation
17. Caravan sites: accommodation
18. Emergency and temporary accommodation
19. Transport consumption
20. Un-metered transport supply: electricity
21. Un-metered transport supply: gas
22. Purposes of transport

SECTION 5

Deductions from supplies during the first phase in Northern Ireland

23. Application of section 5
24. Public lighting supplies

SECTION 6

Additions to supplies: estimation adjustments

25. Additions to supplies
26. Estimation adjustment: electricity and gas
27. Estimation adjustment: fuels

SECTION 7

Renewables generation and amount of emissions from supplies

28. Renewables generation: electricity
29. Amount of emissions
30. Conversion factors
31. Revisions to conversion factors

SCHEDULE 2 — Core supplies

SECTION 1

Core electricity supplies

1. Core electricity supplies
2. Settled half hourly meters
3. Non-settled half hourly meters
4. Non-domestic meters
5. Dynamic supply

SECTION 2

Core gas supplies

6. Core gas supplies
7. Daily meters
8. Hourly meters
9. Large gas point meters

SCHEDULE 3 — Public bodies

SECTION 1

Interpretation

1. Public bodies
2. Public authorities and the National Assembly for Wales Commission
3. Public bodies: bodies corporate
4. Public bodies: proprietors of Academies and colleges
5. Public bodies: one public body part of another

SECTION 2

Public bodies: groups

6. Groups and members
7. Bodies corporate

8. Educational bodies: England and Wales
9. Grant-aided schools: Northern Ireland

SECTION 3

Public bodies: government and local authority decisions

10. Government and local authority decisions
11. The Scottish Ministers
12. The Welsh Assembly Government and Welsh Ministers
13. Northern Ireland departments
14. Government decisions
15. Government decisions: supplies and departments
16. Local authority decisions
17. Notification of government and local authority decisions

SCHEDULE 4 — Undertakings and significant group undertakings

Undertakings and significant group undertakings

1. Undertakings
2. Significant group undertakings
3. Significant group undertakings: movement between groups during a phase
4. Significant group undertakings as participants

SCHEDULE 5 — Information

SECTION 1

Information on registration

1. General
2. Contact information
3. Where the applicant is a group of undertakings—
4. Where the applicant is a group of public bodies, the...
5. The name, postal address, email address and telephone number of...
6. Total supplies of qualifying electricity
7. Exemptions

SECTION 2

Information in footprint years

8. General
9. Supplies
10. Residual measurement list and residual supplies
11. Electricity generating credit and renewables generation
12. EU ETS and CCA emissions
13. Decisions in respect of domestic accommodation and un-metered transport supplies

SCHEDULE 6 — Changes to participants

PART 1 — Public bodies: government

SECTION 1

*Government departments, Northern Ireland departments,
the Scottish Ministers and the Welsh Assembly Government*

1. Application of Part 1
2. Notifications and applications: time to comply and the administrator

SECTION 2

Creation of new departments

3. Creation of a new department
4. Creation of a new department: year 1
5. Creation of a new department: year 2
6. Creation of a new department: after year 2
7. Deemed supplies of the new department

SECTION 3

*Transfers of parts of government departments,
Northern Ireland departments or the Scottish Ministers*

8. Transfer of part of a department to another department
9. Transfers: year 1
10. Transfers: year 2
11. Deemed supplies

SECTION 4

*Mergers in respect of government departments, Northern Ireland
departments, the Scottish Ministers or the Welsh Assembly Government*

12. Mergers of departments

SECTION 5

Government decisions and separate participation

13. Government decisions
14. Separate participants: year 1
 - PART 2 — Other public bodies
 1. Application of Part 2
 2. Notifications and applications: time to comply and the administrator
 3. Mergers of public bodies
 - PART 3 — Undertakings

SECTION 1

Post-qualification period

1. Time for applications
2. Significant group undertakings leaving a group but not joining another group
3. Joining of undertakings with a group which is not required to register as a participant

4. Joining of undertakings with a group which is required to register as a participant
5. Significant group undertakings transferring between groups

SECTION 2

Footprint years and annual reporting years

6. Application and general changes during footprint years and annual reporting years
7. Notifications and applications: time to comply and the administrator
8. Determinations
9. Significant group undertakings becoming participants
10. Joining of a participant or significant group undertaking with a non-participant
11. Joining of a participant as a member of another participant
12. Significant group undertakings transferring to another participant

SCHEDULE 7 — The Registry

1. Setting up accounts
2. Account holders and information
3. Recording of transfers between accounts
4. Updating of accounts
5. Non-compliance accounts and third party accounts

SCHEDULE 8 — Achievement and performance tables

1. Absolute change in CRC emissions
2. Relative change in CRC emissions
3. Historic average of CRC emissions and reported or determined CRC emissions
4. Adjustments to CRC emissions
5. Early action

SCHEDULE 9 — Powers of entry and inspection

SECTION 1

1. Powers of entry and inspection
2. In any case where it is proposed to enter any...
3. Where an authorised person proposes to enter any premises and—...
4. In relation to any premises belonging to or used for...
5. Where an authorised person proposes to exercise the power conferred...
6. Before exercising the power conferred by paragraph 1(g), an authorised...
7. No answer given by a person in pursuance of a...
8. Nothing in paragraph 1 compels the production by any person...

SECTION 2

Warrants, evidence and compensation

9. Entry and inspection under warrant
10. The conditions mentioned in paragraph 9 are—
11. In a case where paragraph 2 applies, a justice of...

12. Every warrant under paragraph 9 continues in force until the...
13. An authorised person must produce evidence of that person's authorisation...
14. A person who, in exercise of the power, enters on...
15. Compensation in respect of entry and inspection
16. Compensation is not payable by virtue of paragraph 15 in...
17. Any dispute as to a person's entitlement to compensation under...
18. An authorised person is not to be liable in any...

SCHEDULE 10 — Appeals

1. Except where paragraph 4, 5 or 6 applies, the appeal...
2. Under paragraph 1, where the determination, notice or penalty is...
3. Paragraph 4 applies where an appeal is made by an...
4. Where this paragraph applies, the appeal body is an independent...
5. Where an appeal is made by an applicant or participant...
6. Where a determination, notice or penalty is made or given...
7. An appellant must give written notice of the appeal together...
8. An appeal must be received by the appeal body no...
9. The appeal body may decide an appeal received late.
10. An appellant may withdraw an appeal by notifying the appeal...
11. The bringing of an appeal— (a) except where the appeal...
12. The appeal body may— (a) in respect of a determination,...
13. The appeal body may publicise the appeal where it considers...
14. The appeal body may— (a) adopt such procedures as it...
