113 Treatment of certain marriages.

- (1) A marriage performed outside the United Kingdom under a law which permits polygamy shall be treated for any purpose of this Act as being and having at all times been a valid marriage if and so long as the authority by whom any question or claim arising in connection with that purpose falls to be determined is satisfied that the marriage has in fact at all times been monogamous.
- (2) Regulations may provide for a voidable marriage which has been annulled, whether before or after the date when the regulations come into force, to be treated for the purposes of such provisions of, or of any regulations under, this Act, subject to such exceptions or conditions as may be prescribed, as if it had been a valid marriage which was terminated by divorce at the date of the annulment.
