- (1) Subject to any exceptions provided for by the Corporation Tax Acts, a company shall be chargeable to corporation tax on all its profits wherever arising.
- (2) A company shall be chargeable to corporation tax on profits accruing for its benefit under any trust, or arising under any partnership, in any case in which it would be so chargeable if the profits accrued to it directly; and a company shall be chargeable to corporation tax on profits arising in the winding up of the company, but shall not otherwise be chargeable to corporation tax on profits accruing to it in a fiduciary or representative capacity except as respects its own beneficial interest (if any) in those profits.
- (3) Corporation tax for any financial year shall be charged on profits arising in that year; but [^{F28}corporation tax shall be computed and chargeable (and any assessments shall accordingly be made)] by reference to accounting periods, and the amount chargeable (after making all proper deductions) of the profits arising in an accounting period shall, where necessary, be apportioned between the financial years in which the accounting period falls.

- (6) Where the House of Commons passes a Resolution for fixing the rate of corporation tax for any financial year, or for altering the tax for any financial year, then any assessment to tax afterwards made by virtue of subsection (5) above may be made in accordance with the Resolution; but no assessment made by virtue of that subsection later than 5th May next after the end of any financial year shall charge tax for that year, unless a Resolution for charging corporation tax for that year has been so passed, nor shall any assessment be made by virtue of any such Resolution later than the prescribed period from the date on which the Resolution is passed.

[^{F45}268A] Postponement of charge on transfer of assets to non-resident company.

- (1) This section applies where a company resident in the United Kingdom carries on a trade outside the United Kingdom through a branch or agency and—
 - (a) that trade, or part of it, together with the whole assets of the company used for the purposes of the trade or part (or together with the whole of those assets other than cash) is transferred to a company not resident in the United Kingdom;
 - (b) the trade or part is so transferred wholly or partly in exchange for securities consisting of shares, or of shares and loan stock, issued by the transferee company to the transferor company;
 - (c) the shares so issued, either alone or taken together with any other shares in the transferee company already held by the transferor company, amount in all to not less than one quarter of the ordinary share capital of the transferee company; and
 - (d) either no allowable losses accrue to the transferor company on the transfer or the aggregate of the chargeable gains so accruing exceeds the aggregate of the allowable losses so accruing.
- (2) In any case to which this section applies the transferor company may claim that [^{F46}the Capital Gains Tax Act 1979] shall have effect in accordance with the following provisions.
- (3) Any allowable losses accruing to the transferor company on the transfer shall be set off against the chargeable gains so accruing and the transfer shall be treated as giving rise to a single chargeable gain equal to the aggregate of those gains after deducting the aggregate of those losses and—
 - (a) if the securities are the whole consideration for the transfer, the whole of that gain shall be treated as not accruing to the transferor company on the transfer but an equivalent amount (“the deferred gain”) shall be brought into account in accordance with subsections (4) and (5) below;
 - (b) if the securities are not the whole of that consideration—
 - (i) paragraph (a) above shall apply to the appropriate proportion of that gain; and
 - (ii) the remainder shall be treated as accruing to the transferor company on the transfer. In paragraph (b)(i) above “the appropriate proportion” means the proportion that the market value of the securities at the time of the transfer bears to the market value of the whole of the consideration at that time.

In this subsection “the appropriate proportion” means the proportion that the market value of the part of the securities disposed of bears to the market value of the securities held immediately before the disposal.
- (5) If at any time within six years after the transfer the transferee company disposes of the whole or part of the relevant assets held by it immediately before that time there shall be deemed to accrue to the transferor company as a chargeable gain on that occasion the whole or the appropriate proportion of the deferred gain so far as not already taken into account under this subsection or subsection (4) above. - (6) There shall be disregarded—
- (a) for the purposes of subsection (4) above any disposal to which section 273 of this Act applies; and
 - (b) for the purposes of subsection (5) above any disposal to which that section would apply apart from section 272(1)(a) or (2) of this Act;
- and where a person acquires securities or an asset on a disposal disregarded for the purposes of subsection (4) or (5) above (and without there having been a previous disposal not so disregarded) a disposal of the securities or asset by that person shall be treated as a disposal by the transferor or, as the case may be, transferee company.
- (7) This section applies where the transfer mentioned in subsection (1)(a) above is on or after 29th March 1977.
- (8) If in the case of any such transfer as was mentioned in subsection (1) of section 268 of this Act there were on the said 29th March chargeable gains which by virtue of subsection (2) of that section were treated as not yet having accrued to the transferor company, subsections (4) and (5) above shall (without any claim in that behalf) apply to the aggregate of those gains as if references to the deferred gain were references to that aggregate and as if references to the transfer and the securities were references to the transfer and the shares, or shares and loan stock, mentioned in subsection (1) of that section.]

273 Transfers within a group.

(1) Notwithstanding any provision in [^{F78}the Capital Gains Tax Act 1979] fixing the amount of the consideration deemed to be received on a disposal or given on an acquisition, where a member of a group of companies disposes of an asset to another member of the group, both members shall, except as provided by subsections (2) and (3) below, be treated, so far as relates to corporation tax on chargeable gains, as if the asset required by the member to whom the disposal is made were acquired for a consideration of such amount as would secure that on the other's disposal neither a gain nor a loss would accrue to that other; but where it is assumed for any purpose that a member of a group of companies has sold or acquired an asset, it shall be assumed also that it was not a sale to or acquisition from another member of the group.

(2) Subsection (1) above shall not apply where the disposal is—

- (a) a disposal of a debt due from a member of a group of companies effected by satisfying the debt or part of it; or
- (b) a disposal of redeemable shares in a company on the occasion of their redemption; [^{F79}or
- (c) a disposal by or to an investment trust within the meaning of [^{F80}section 842 of the Taxes Act 1988]; [^{F81}or
- (d) a disposal to a dual resident investing company, within the meaning of section [^{F80}404 of the Taxes Act 1988]] [^{F82}or
- (e) a disposal to a company which, though resident in the United Kingdom,—
 - (i) is regarded for the purposes of any double taxation arrangements having effect by virtue of section 788 of the Taxes Act 1988 as resident in a territory outside the United Kingdom, and
 - (ii) by virtue of the arrangements would not be liable in the United Kingdom to tax on a gain arising on a disposal of the asset occurring immediately after its acquisition.]

and the reference in that subsection to a member of a group of companies disposing of an asset shall not apply to anything which under [^{F83}section 72 of the Capital Gains Tax Act 1979] is to be treated as a disposal of an interest in shares in a company in consideration for a capital distribution (as defined in [^{F83}that section]) from that company, whether or not involving a reduction of capital.

[^{F84}(2A) Subsection (1) above shall not apply to a transaction treated by virtue of sections 78 and 85 of the Capital Gains Tax Act 1979 as not involving a disposal by the company first mentioned in that subsection.]

(3) For the purposes of subsection (1) above, so far as the consideration for the disposal consists of money or money's worth by way of compensation for any kind of damage or injury to assets, or for the destruction or dissipation of assets or for anything which depreciates or might depreciate an asset, the disposal shall be treated as being to the person who, whether as an insurer or otherwise, ultimately bears the burden of furnishing that consideration.

278 Company ceasing to be member of a group.

(1) If a company (in this section called the chargeable company) ceases to be a member of a group of companies, this section shall have effect as respects any asset which the chargeable company acquired from another company which was at the time of acquisition a member of that group of companies, but only if the time of acquisition fell—

- (a) on or after 6th April 1965, and
- (b) within the period of six years ending with the time when the company ceases to be a member of the group;

and references in this section to a company ceasing to be a member of a group of companies do not apply to cases where a company ceases to be a member of a group by being wound up or dissolved or in consequence of another member of the group being wound up or dissolved.

(2) Where two or more associated companies cease to be members of the group at the same time, subsection (1) above shall not have effect as respects an acquisition by one from another of those associated companies.

(3) If, when the chargeable company ceases to be a member of the group, the chargeable company, or an associated company also leaving the group, owns, otherwise than as trading stock—

- (a) the asset, or
- (b) property to which a chargeable gain has been carried forward from the asset on a replacement of business assets,

(the chargeable company shall be treated for all the purposes of ^{F95}the Capital Gains Tax Act 1979] as if immediately after its acquisition of the asset it had sold, and immediately reacquired, the asset at market value at that time.

(3A)

^{F96}(3B) Where, apart from subsection (3C) below, a company ceasing to be a member of a group by reason only of the fact that the principal company of the group becomes a member of another group would be treated by virtue of subsection (3) above as selling an asset at any time, subsections (3C) to (3E) below shall apply.

(3C) The company in question shall not be treated as selling the asset at that time; but if—

- (a) within six years of that time the company in question ceases at any time (“the relevant time”) to satisfy the following conditions, and
- (b) at the relevant time, the company in question, or a company in the same group as that company, owns otherwise than as trading stock the asset or property to which a chargeable gain has been carried forward from the asset on a replacement of business assets,

the company in question shall be treated for all the purposes of the Capital Gains Tax Act 1979 as if, immediately after its acquisition of the asset, it had sold and immediately reacquired the asset at the value that, at the time of acquisition, was its market value.

(3D) Those conditions are—

- (a) that the company is a 75 per cent. subsidiary of one or more members of the other group referred to in subsection (3B) above, and
- (b) that the company is an effective 51 per cent subsidiary of one or more of those members.

(3E)

(3F) Where—

- (a) by virtue of this section a company is treated as having sold an asset at any time, and
- (b) if at that time the company had in fact sold the asset at market value at that time, then, by virtue of section 26 of that Act, any allowable loss or chargeable gain accruing on the disposal would have been calculated as if the consideration for the disposal were increased by an amount,

subsections (3) and (3C) above shall have effect as if the market value at that time had been that amount greater.]

(4) For the purposes of this section—

- (a) two or more companies are associated companies if, by themselves, they would form a group of companies,
- (b) a chargeable gain is carried forward from an asset to other property on a replacement of business assets if, by one or more claims under [F97sections 115 to 121 of the CapitalGains Tax Act 1979], the chargeable gain accruing on a disposal of the asset is reduced, and as a result an amount falls to be deducted from the expenditure allowable in computing a gain accruing on the disposal of the other property,
- (c) an asset acquired by the chargeable company shall be treated as the same as an asset owned at a later time by that company or an associated company if the value of the second asset is derived in whole or in part from the first asset, and in particular where the second asset is a freehold, and the first asset was a leasehold and the lessee has acquired the reversion.

(5) If any of the corporation tax assessed on a company in consequence of this section is not paid within six months from the date when it becomes payable then—

- (a) a company which on the said date, or immediately after the chargeable company ceased to be a member of the group, was the principal company of the group, and
- (b) a company which owned the asset on the said date, or when the chargeable company ceased to be a member of the group,

- [^{F98}(5A) The date referred to in subsection (5) above is whichever is the later of—
- (a) the date when the tax becomes due and payable by the company; and
 - (b) the date when the assessment was made on the chargeable company.]
- (6) Notwithstanding any limitation on the time for making assessments, an assessment to corporation tax chargeable in consequence of this section may be made at any time within six years from the time when the chargeable company ceased to be a member of the group, and where under this section the chargeable company is to be treated as having disposed of, and reacquired, an asset, all such recomputations of liability in respect of other disposals, and all such adjustments of tax, whether by way of assessment or by way of discharge or repayment of tax, as may be required in consequence of the provisions of this section shall be carried out.
- (7) The provision in subsection (3) above making the assumption that an asset is sold and re-acquired at market value shall, in accordance with paragraph 7(1) of Schedule 14 to the ^{M5}Finance Act 1967, have effect subject to the provisions of section 33 of that Act (current use value of land in Great Britain).
- (8) This section has effect, to the exclusion of the corresponding enactments repealed by this Act, where the chargeable company ceases to be a member of the group in an accounting period ending after 5th April 1970, and not only in respect of tax for such an accounting period but also in respect of tax for accounting periods ending on or before that date.

279 Shares in subsidiary member of a group.

- (1) This section has effect if a company (in this section called “the subsidiary”) ceases to be a member of a group of companies, and on an earlier occasion shares in the subsidiary were disposed of by another company (in this section called “the chargeable company”) which was then a member of that group in the course of an amalgamation or reconstruction in the group, but only if that earlier occasion fell—
- (a) on or after 6th April 1965 [^{F100}but before 20th April 1977], and
 - (b) within the period of six years ending with the date on which the subsidiary ceases to be a member of the group;

Status: Point in time view as at 01/02/1991.

and references in this section to a company ceasing to be a member of a group of companies do not apply to cases where a company ceases to be a member of a group by being wound up or dissolved or in consequence of another member of the group being wound up or dissolved.

- (2) The chargeable company shall be treated, for all the purposes of [F101the Capital Gains Tax Act 1979], as if immediately before the earlier occasion it had sold, and immediately reacquired, the said shares at market value at that time.
- (3) If, before the subsidiary ceases to be a member of the group, the chargeable company has ceased to exist, or a resolution has been passed, or an order made, for the winding up of the company, or any other act has been done for the like purpose, any corporation tax to which, if the chargeable company had continued in existence, it would have been chargeable in consequence of this section may be assessed and charged (in the name of the chargeable company) on the company which is, at the time when the subsidiary ceases to be a member of the group, the principal company of the group.
- (4) If any of the corporation tax assessed on a company in consequence of this section, or in pursuance of subsection (3) above, is not paid within six months from the date when it becomes payable, then—
 - (a) a company which is on the said date, or was on the earlier occasion, the principal company of the group, and
 - (b) any company taking an interest in the subsidiary as part of the amalgamation or reconstruction in the group,
 may at any time within two years from the time when the tax became payable, be assessed and charged (in the name of the chargeable company) to all or any part of that tax; and a company paying any amount of tax under this subsection shall be entitled to recover a sum of that amount from the chargeable company, or as the case may be from the company assessed under subsection (3) above.
- (5) Notwithstanding any limitation on the time for making assessments, an assessment to corporation tax chargeable in consequence of this section may be made at any time within six years from the time when the subsidiary ceased to be a member of the group and, in relation to any disposal of the property after the earlier occasion, there shall be made all such adjustments of tax, whether by way of assessment or by way of discharge or repayment of tax, as may be required in consequence of the provisions of this section.
- (6) For the purposes of this section there is a disposal of shares in the course of an amalgamation or reconstruction in a group of companies if [F102section 85 or section 86 of the Capital Gains Tax Act 1979] (company amalgamations) applies to shares in a company so as to equate them with shares in or debentures of another company, and the companies are members of the same group, or become members of the same group as a result of the amalgamation or reconstruction.
- (7) Where by virtue of [F102section 86 of the Capital Gains Tax Act 1979] shares are to be treated as cancelled and replaced by a new issue, references in this section to a disposal of shares include references to the occasion of their being so treated.
- (8) This section has effect, to the exclusion of the corresponding enactments repealed by this Act, where the subsidiary ceases to be a member of the group in an accounting period of the chargeable company (or, as the case may be, of the company assessable under subsection (3) above) ending after 5th April 1970, and not only in respect of tax

Losses attributable to depreciable transactions

280 Transactions in a group.

- (1) This section has effect as respects a disposal of shares in, or securities of, a company (in this section referred to as an “ultimate disposal”) if the value of the shares or securities has been materially reduced by a depreciable transaction effected on or after [^{F103}31st March 1982]; and for this purpose “depreciable transaction” means—
- any disposal of assets at other than market value by one member of a group of companies to another, or
 - [^{F104}unless the ultimate disposal occurred before 30th April 1969], any other transaction satisfying the conditions of subsection (2) below:

Provided that a transaction shall not be treated as a depreciable transaction to the extent that it consists of a payment which is required to be or has been brought into account, for the purposes of corporation tax on chargeable gains, in computing a chargeable gain or allowable loss accruing to the person making the ultimate disposal.

- (2) The conditions referred to in subsection (1)(b) above are—
- that the company, the shares in which, or securities of which, are the subject of the ultimate disposal, or any 75 per cent. subsidiary of that company, was a party to the transaction, and
 - that the parties to the transaction were or included two or more companies which at the time of the transaction were members of the same group of companies.
- (3) Without prejudice to the generality of subsection (1) above, the cancellation of any shares in or securities of one member of a group of companies under [^{F105}section 135 of the Companies Act 1985] shall, to the extent that immediately before the cancellation those shares or securities were the property of another member of the group, be taken to be a transaction fulfilling the conditions in subsection (2) above.

Status: Point in time view as at 01/02/1991.

Changes to legislation: There are currently no known outstanding effects for the Income and Corporation Taxes Act 1970 (repealed 6.4.1992). (See end of Document for details)

- (4) If the person making the ultimate disposal is, or has at any time been, a member of the group of companies referred to in subsection (1) or (2) above, any allowable loss accruing on the disposal shall be reduced to such extent as appears to the inspector, or on appeal the Commissioners concerned, to be just and reasonable having regard to the depreciable transaction:

Provided that if the person making the ultimate disposal is not a member of the said group when he disposes of the shares or securities, no reduction of the loss shall be made by reference to a depreciable transaction which took place when that person was not a member of the said group.

- (5) The inspector or the Commissioners shall make the decision under subsection (4) above on the footing that the allowable loss ought not to reflect any diminution in the value of the company's assets which was attributable to a depreciable transaction . . . ^{F106}, but allowance may be made for any other transaction on or after [^{F103}31st March 1982] which has enhanced the value of the company's assets and depreciated the value of the assets of any other member of the group.

- (6) If, under subsection (4) above, a reduction is made in an allowable loss, any chargeable gain accruing on a disposal of the shares or securities of any other company which was a party to the depreciable transaction by reference to which the reduction was made, being a disposal not later than six years after the depreciable transaction, shall be reduced to such extent as appears to the inspector, or on appeal to the Commissioners concerned, to be just and reasonable having regard to the effect of the depreciable transaction on the value of those shares or securities at the time of their disposal:

Provided that the total amount of any one or more reductions in chargeable gains made by reference to a depreciable transaction shall not exceed the amount of the reductions in allowable losses made by reference to that depreciable transaction.

All such adjustments, whether by way of discharge or repayment of tax, or otherwise, as are required to give effect to the provisions of this subsection may be made at any time.

- (7) For the purposes of this section—

“securities” includes any loan stock or similar security whether secured or unsecured,

references to the disposal of assets include references to any method by which one company which is a member of a group appropriates the goodwill of another member of the group,

a “group of companies” may consist of companies some or all of which are not resident in the United Kingdom.

- (8) References in this section to the disposal of shares or securities include references to the occasion of the making of a claim under [^{F107}section 22(2) of the Capital Gains Tax Act 1979] that the value of shares or securities has become negligible, and references to a person making a disposal shall be construed accordingly.

CHAPTER I

THE PRINCIPAL RELIEFS

[^{F133}**497 Relief by agreement with other countries.**

- (1) If Her Majesty by Order in Council declares that arrangements specified in the Order have been made with the government of any territory outside the United Kingdom with a view to affording relief from double taxation in relation to income tax or corporation tax and any taxes of a similar character imposed by the laws of that territory, and that it is expedient that those arrangements should have effect, then, subject to the provisions of this Part of this Act, the arrangements shall, notwithstanding anything in any enactment, have effect in relation to income tax and corporation tax in so far as they provide—
- (a) for relief from income tax, or from corporation tax in respect of income, or
 - (b) for charging the income arising from sources in the United Kingdom to persons not resident in the United Kingdom, or

Status: Point in time view as at 01/02/1991.

Changes to legislation: There are currently no known outstanding effects for the Income and Corporation Taxes Act 1970 (repealed 6.4.1992). (See end of Document for details)

- (c) for determining the income to be attributed—
 - (i) to persons not resident in the United Kingdom and their agencies, branches or establishments in the United Kingdom, or
 - (ii) to persons resident in the United Kingdom who have special relationships with persons not so resident [F134 or
- (d) for conferring on persons not resident in the United Kingdom the right to a tax credit under section 86 of the M7 Finance Act 1972 in respect of qualifying distributions made to them by companies which are so resident.]

[Without prejudice to the generality of subsection (1) above, if it appears to Her Majesty F135(1A) to be appropriate, the arrangements specified in an Order in Council under this section may include provisions with respect to the exchange of information necessary for carrying out the domestic laws of the United Kingdom and the laws of the territory to which the arrangements relate concerning taxes covered by the arrangements including, in particular, provisions about the prevention of fiscal evasion with respect to those taxes; and where arrangements do include any such provisions, the declaration in the Order in Council shall state that fact.]

- (2) The provisions of Chapter II below shall apply where arrangements which have effect by virtue of this section provide that tax payable under the laws of the territory concerned shall be allowed as a credit against tax payable in the United Kingdom.
- (3) For the purposes of this section and, subject to section 503(3) below, of the said Chapter II in its application to relief under this section, any amount of tax which would have been payable under the law of a territory outside the United Kingdom but for a relief to which this subsection applies given under the law of that territory shall be treated as having been payable; and references in this section and that Chapter to double taxation, to tax payable or chargeable, or to tax not chargeable directly or by deduction shall be construed accordingly.

This subsection applies

- (a) to any relief given with a view to promoting industrial, commercial, scientific, educational or other development in a territory outside the United Kingdom, being a relief with respect to which provision is made in the arrangements in question for double taxation relief,
- [F136(b) to any relief provided under and in accordance with the arrangements, where the latter expressly contemplate that the relief is to fall within this subsection.]
- (4) Except in the case of a claim for an allowance by way of credit in accordance with Chapter II below, a claim for relief under subsection (1)(a) above shall be made to the Board.
- (5) Where, under any arrangements which have effect by virtue of this section, relief may be given, either in the United Kingdom or in the territory with the government of which the arrangements are made, in respect of any income, and it appears that the assessment to income tax or corporation tax made in respect of the income is not made in respect of the full amount thereof, or is incorrect having regard to the credit, if any, which falls to be given under the arrangements, any such assessments may be made as are necessary to ensure that the total amount of the income is assessed, and the proper credit, if any, is given in respect thereof, and, where the income is entrusted to any person in the United Kingdom for payment, any such assessment may be made on the recipient of the income under Case VI of Schedule D.

Status: Point in time view as at 01/02/1991.

Changes to legislation: There are currently no known outstanding effects for the Income and Corporation Taxes Act 1970 (repealed 6.4.1992). (See end of Document for details)

- (6) Any arrangements to which effect is given under this section may include provision for relief from tax for periods before the passing of this Act, or before the making of the arrangements, and provisions as to income which is not itself subject to double taxation, and the preceding provisions of this section shall have effect accordingly.
- (7) Any Order in Council made under this section may be revoked by a subsequent Order in Council, and any such revoking Order may contain such transitional provisions as appear to Her Majesty to be necessary or expedient.
- (8) Before any Order proposed to be made under this section is submitted to Her Majesty in Council, a draft thereof shall be laid before the House of Commons, and the Order shall not be so submitted unless an Address is presented to Her Majesty by that House praying that the Order be made.
- (9) Notwithstanding section 501(2) below, any arrangements made in relation to the profits tax under section 347 of the ^{M8}Income Tax Act 1952 (which this section re-enacts) or any earlier enactment corresponding to the said section 347 shall, except in so far as arrangements made after the passing of the ^{M9}Finance Act 1965 provide otherwise, have effect in relation to corporation tax and income chargeable thereto as they are expressed to have effect in relation to the profits tax and profits chargeable thereto (with the substitution of accounting periods for chargeable accounting periods), and not as they have effect in relation to income tax.
- [In so far as any arrangements made before 30th March 1971 provide for the exemption ^{F137}(10) of any income from surtax they shall have effect, unless otherwise modified by subsequent arrangements, as if they provided for that income to bear income tax at the basic rate and to be disregarded for the purpose of computing total income, except in so far as the computation affects the matters mentioned in section 34(3) of the Finance Act ^{M10}1971, but not to be disregarded for the purpose of determining whether that income or any other income is chargeable as investment income.]]
